	17-4-42		The Rooms in the Basement of The Administrative Building, fitted out as a Post Office have been completed and occupation took place this date. The work of handling mail is greatly expedited by the convenience of the new quarters. W/C Chant and W/C Matheson from A.F.H.Q. inspected and reviewed the setup of the M.S.B. S/L Cruickshank, hygiene officer at A.F.H.Q. inspected the hospital and places of interest on the station. This officer felt that the Station hospital accomodation was dangerously small. He will take up the question of building an addition to the Medical Hut to house the M.S.B., then releasing the second floor of the hospital for Station Hospital purposes. Captain Savage R.C.A.M.C. spent 4 days at this Unit, familiarizing himself with the Night Vision Capacity testing done here, with a view to adapting it to the Army. An offer to do this training here was made subject to the approval of the office of the D.M.S.
