me - a German has come - his name
is Krüger - unhappy youth) with
whom I have not a great deal in
common, but whom I necessarily
tell French with a good
deal of. If I can only arrange
to make my plans fit in with
yours, or yours fit in with mine
so that we can be together for
four weeks in Switzerland, France
or Italy I shall be very glad.
I fear it would not be right for
me to go touring in May and the
early part of June, as I ought to
work and not merely travel and
enjoy myself. I feel I had better
go to Paris as soon as possible and
see something of the history work
done there in the Ecole de Chartes
