		\$ 577,939.00

(Public Accounts for 1907-08 are not yet available.)

From the above, it is seen that the average for Quebec is about \$250,000 per annum, outside of over \$200,000 expended on the Champlain street cliff and under the Terrace, etc.

Secondly, the Harbor works, as follows:

In 1896, the Harbor Commissioners were authorized to borrow
