**The Montreal Philatelic Association**

The Montreal Philatelic Association was formed quite a number of years ago and has been active ever since. Meetings are held semi-monthly on the first and third Thursdays of the month.

The Association's first rooms were situated on St. Catherine Street, but they were afterwards moved to the Chateau du Ramsay, on Notre Dame Street, where they are being held at present.

Among the members of this club are some of Montreal's leading collectors. In the month of December, 1899, the club held a very successful auction, bids being received from all over the country, over five hundred dollars being raised, some of the lots bringing over catalogue value.

The dues of the Association are \$2.00 for resident members, and \$1.00 for non-resident members.
