Recipes for publication are requested. Inquiries regarding cooking, recipes, etc., kindly answered upon request, to the Household Editor, Farm and Dairy, Peterboro, Ont.

DATE SANDWICHES

Delicious sandwiches are made of date, orange pulp and moistened with thick cream, spread between slices of rye or Graham bread, which may be buttered or not as one fancies.

ORANGE AND DATE SALAD

Remove the pulp and inner skins from six oranges and one grapefruit, and break the flesh into small portions; mix with one pound of dates, sliced and cut in bits. Serve on blanched lettuce-leaves with the following dressing:

SALAD DRESSING

To the yolks of two eggs beaten very light, add one-half cup of powdered sugar and one cup of wine, or orange juice heightened by a dash lemon or grapefruit.

PINEAPPLE WITH WHIPPED CREAM

A simple and dainty dessert is made with pineapple, fresh or canned, that has been well drained from the juice, cut in small pieces and beaten up with whipped cream—as much as can be used and keep it stiff. It must be served very cold, in glasses.—Mrs. H. C. T.

EGGLESS GINGER CAKE

One half pint of cooking molasses, one half pint of boiling water, two tablespoons of butter, one half teaspoonful each of cloves, ginger, and cinnamon, one teaspoonful of soda, two cups of flour. Melt butter and stir it into molasses. Add spices, stir in flour, dissolve soda in boiling water, and pour it in. Beat hard until lumpy. Bake in two thick layers. This is fine put together with fudge icing and eaten warm.

Anent the Swastika Rancho

Editor, Farm and Dairy.—Three years ago without any knowledge whatever of farming, I bought a 100 acre farm, beautifully situated to our fancy on the Penetang Road, Township Tiny, County Simcoe, about one mile from the Village of Wyerbridge, and four miles from Midland. Our system of farming is the ordinary mixed farming, aiming each year to work into fruit, strawberries, bush

And keep his aim in sight,
And work and pray in faith away,
With his eye on the glittering height."

Joy

To-day, whatever may annoy,
The word for me is joy, just simple joy;
The joy of life;
The joy of children and of wife;
The joy of bright blue skies;

fruits and apples. We have a good market, and so far get our pickers from the village. I hire all my help. In the illustration above on the left side is our neighbour's son; lady next is house maid on the farm; next mother, myself and Joy, our only child, with her doll. We only play for our own amusement. Jimmie, the farm

The joy of rain; the glad surprise
Of twinkling stars that shine at night;
The joy of winged things on their flight;

The joy of noonday, and the tried
True joyousness of eventide;
The joy of labor and of mirth;
The joy of air and sea and earth—
The countless joys that flow from Him
Whose vast beneficence doth dim
The lustrous light of day,
And lavish gifts divine upon our way.
Whate'er there be of sorrow
I'll put off till to-morrow,
And when to-morrow comes, why, then,
'Twill be to-day, and joy again!

Her Friends and Money Makers

Last year the flock of 125 Brown Leghorns hens kept and attended to by this Oxford Co., Ont., lady made a gross return of over \$320. She has kept strict account of all expense for feed and produce used and sold. Full account in her own words and other illustrations of her flock of poultry will be featured in these columns in our next special number—the annual special Household issue of Farm and Dairy.

If it isn't
an Eastman,
it isn't
a Kodak.

KODAK

means more than a mere vacation accessory. It means home pictures, portraits of one's family and friends, intimate pictures that become priceless as the years go by.

And picture making is very simple by the Kodak system. Ask your dealer or write us for "At Home with the Kodak," a beautifully illustrated booklet about home picture making, that not only shows the pleasing results that can easily be obtained, but shows how they are made.

Saving Cents And Wasting Dollars

There is no economy in buying cheap granulated sugar for preserving. You may save a few cents on the actual cost of the sugar you use—but you may also waste several dollars by spoiling the preserves.
