PEDLAR'S "GEORGE" SHINGLES

ARE you really saving money by neglecting to re-shingle that barn roof? You know that each additional patch lessens the value of your building. You know each widening leak means rotting, loosening shingles and early decay. You know that only by Pedlarizing your roof can you get enduring freedom from repair and rot. Pedlar's "George" Shingles bring you the durability and wearing qualities of steel at a price, when laid, about that of a good wooden shingle roof. A Pedlarized roof will last for generations, protecting you at all times from the danger of lightning and fire. The "Right Roof" Booklet I.F., telling you all about steel shingles and how to lay them, is free. Write to-day.
