Tarvia

Preserves Roads
Prevents Dust-

A Tarvia Road to Market—

What the steel rails are to trolley-traffic, the Tarvia road beside it is to horse- and motor-traffic.

Over a Tarvia road, like that shown below, farm products can come to market in any sort of weather with full loads and at good speed.

The use of Tarvia makes a macadam road dustless, mudless, frost-proof, and automobile-proof, and costs so little additional that the savings in annual maintenance charges will more than make it up.

A coating of Tarvia in time will arrest the deterioration of plain macadam and add years to the life of a road at much less expense than any other method.

Many road engineers everywhere, in Canada and the States, have settled down to the regular use of Tarvia on their principal thoroughfares because they find it gives them better roads and at the same time materially reduces maintenance costs.

Booklet telling about the various Tarvia treatments free on request.

Consult an expert heating engineer without cost

How many times last winter did you promise yourself that never again would you attempt to heat your home with the rusty, cracked, smoky, drafty, erratic, inefficient furnace you now have?

The man who knows by expensive and exasperating experience what a poor furnace is, is the man McClarys want to talk to about the Sunshine Furnace, because he knows what a good furnace ought to be and do.

Almost every home has its own individual heating problem, requiring its own special solution.

Half a century of heating experience has gone into the designing and construction of the Sunshine Furnace.

Why not get in touch with the local McClary dealer or the nearest McClary branch to-day—have this heating problem settled without delay? Don't put it off—have it done to-day.

Free Engineering Service McClary's own heating engineers are at your service when you buy a Sunshine Furnace, to give you free expert advice on your home-heating requirements. Write to the nearest McClary Branch and ask for particulars about this service. A booklet, "Comfort in the Home," makes clear all the things you want to know about furnaces, and it is sent free on request.
