

WHAT THE FARMER CAN DO WITH CONCRETE

A Wonderfully Helpful Book; and its Price is—NOTHING

WE have spent hundreds of dollars in compiling the information this book contains—yet, to encourage the use of our product, we are willing to send any farmer a copy of it absolutely free of cost.

You will profit greatly by the reading and use of this free book. It has helped thousands of Canadian Farmers to get their farms on a more profitable basis. It will help you stop the leaks occasioned by fire, decay, disease germs and vermin. These losses are stopped by Concrete—and the book tells, in simplest language, how to build of Concrete those improvements which mean so much to the health of your stock and the efficient conservation of your crops.

Ask for *Canada Portland Cement*, the uniformly reliable brand. It can be secured from more than 2,000 dealers throughout Canada. If your dealer cannot supply you write our nearest Sales Office.

LIBERTY WASHER

Cut out the drudgery of wash day. The Liberty Washer washes clean, and quick. It's simple, no chance to get out of order. Wringer swings to four positions, wringing clothes from soaking tub, rinsing tub, blueing tub and then into the basket. Tub extra large, made of selected white cedar. Wood is preferable to metal as it keeps free from tarnish and prevents staining of clothes. Tub can be tilted or lifted off. Cover is steam-tight, so that the room is not filled with the objectionable vapor inseparable from the old-fashioned washing. Mechanism starts or stops by moving a lever. Just as surely as you have washing to do, you need the Liberty Washer to do it with. The old-fashioned wash day meant aching body, fretful mind and an upset house. With the Liberty, the washing is all on the line early and the day is left for visiting, sewing, or reading. The Liberty Washer will last a lifetime; it is the best washer ever invented; it will do all any other washer will do, and some other things beside. Runs by electric or any other power. Other electric washers cost \$25 to \$50 more than the Liberty Washer, and you can save that money and get a better washer by ordering a Liberty Washer now. The "belt-drive" style is suitable to gasoline engine, electric motor or other power. We ship to any point, on receipt of price. Satisfaction guaranteed or money refunded. If you have any doubt about the efficiency of the Liberty Washing Machine, write us to explain any point you are in doubt about. We cannot urge you too strongly to solve the washing problem in your house now. Don't wait but ask us to send you full information today.
