Consider the time required to build a fence; consider the peace of mind you have in knowing that your stock is not tearing your fence to pieces; consider the pride you will have in knowing that you "have done the job right." Is it not worth while putting up a Frost Wire Fence?

Frost Fence is woven from full gauge and well galvanized No. 9 hard wire. The Frost Tight-Lock is unsurpassed and gives service year in year out. All styles combine strength and neat appearance. Try out Frost Fence for your own satisfaction.
