

GOSSIP.

W. W. Everitt, Chatham, Ont., breeder of Jersey cattle and Barred Plymouth Rock and Black Minorca fowls, has a herd of twenty-five head of richly-bred Jerseys, about one-half of which are milking or due to calve soon. Among the matrons of the herd is the solid-colored five-year-old Charity of Glen Rouge 102699, by One Hundred Per Cent, full brother in blood to Stoke Pogis 3rd, sire of twenty-seven cows averaging over twenty pounds of butter in seven days. This cow has raised four calves in five years, and her splendid three-year-old daughter (also solid color) swings a model shaped udder and is a persistent milker. She is by Perfect Combination, of the same blood as the winning cows in the World's Fair test. The three-year-old Leap Year Elsie is a solid fawn daughter of Massena's Son, a sweepstakes winner at Toronto, Montreal, and Ottawa, and whose dam made the great record of nine hundred pounds of butter in one year. Lady Lil is by Mighty Dollar, another first prize winner at Toronto, and her dam is Brevia Pogis. The present stock bull is Handsome Rioter, by Lillium's Rioter, winner of sweepstakes and head of first prize herd at Toronto Exhibition; dam Hugo Beauty 2nd, daughter of Hugo Beauty, first prize at Toronto Exhibition. Among the young bulls for sale is a three-year-old son of Magnolia of Highfield, by Hugo Alpha of Oaklawn, another first prize winner at Toronto, and a yearling son of Lady Lil by Massena's Son. Also a number of young calves of both sexes. The Black Minors are up-to-date, and the Barred Plymouth Rocks are of Shearer's strain, the pen being headed by a prizewinning cockerel.

AN ATTRACTIVE SALE OF JERSEYS.

Mr. S. Fraleigh, of St. Mary's, Ont., and his son Howard, of Forest, Ont., being interested in other lines of business and hence unable to give the necessary attention to their Jerseys, have resolved to dispose of the entire herd about the middle of June, and will announce the date in our next issue. This herd consists largely of Tennessee-bred Jerseys, deep in the blood of imp. Tormentor, sire of forty-one tested cows with records of from 14 to 23 lbs. in seven days; of Oonan, a cow having a record of 22 lbs. 2½ oz., the dam of six tested daughters with records of 14 lbs. to 20 lbs. 4 oz.; of Bisson's Belle, 1028 lbs. butter in a year; Little Goldie, with a record of 34 lbs. 8½ oz. in seven days, and of many others of a similar class. The best of St. Lambert blood is also represented through many of the sires in the pedigrees of these cattle, and many of them are fine individuals, having been selected with care and regardless of expense. This will afford an unusual opportunity for farmers and breeders to secure high-class stock at their own prices. Fuller notes will be given in a later issue.
