Have Been Spent to Give Liquozone to the Sick.

we learned of. We published the offer matter. in nearly every newspaper in America, and 1,800,000 people have accepted it. In one year it has cost us over one million dollars to announce and fulfill tissues, too. Any drug that kills germs the offer.

Don't you realize that a product must have wonderful merit to make such an offer possible? We have never that gives Liquozone its worth to asked a soul to buy Liquozone. We have published no testimonials, no physician's endorsement. We have published no testimonials, no physician's endorsement. We have simply asked the sick to try it—try it can rights.

The our expense. And that is all we remaily. Medicine is almost helpless in any germ disease. It is this fact that gives Liquozone its worth to never tried it, please send us this coupon. We will then mail you an order on a local druggist for a full-simply asked the sick to try it—try it can rights. ask you, if you need it.

Kills Inside Germs.

Liquozone is not made by compounding drugs, nor is there alcohol in it. Its virtues are derived solely from gas -largely oxygen gas-by a process requiring immense apparatus and 14 than 20 years, been the constant subject of scientific and chemical re-

The result is a liquid that does what oxygen does. It is a nerve food and blood food—the most helpful thing in the world to you. Its effects are exhilarating, vitalizing, purifying. Yet it is a germicide so certain that we publish on every bottle an offer of \$1,-000 for a disease germ that it cannot be seen and the property of the propert

When we purchased the rights to kill. The reason is that germs are Dyspensia Rezema—Erysipelas to the first bottle and give it free to each sick one excess of oxygen—is deadly to vegetal Goitte—Gout

There lies the great value of Liquozone. It is the only way known to kill he offer.

Don't you realize that a product ternally. Medicine is almost helpless

Germ Diseases.

These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain. Liquozone attacks the germs, wherever they are. And when the germs which cause a disease days' time. This process has, for more than 20 years, been the constant sub-
