

GIVE THE

1/2 A CHANCE

and it will make one pound of flesh on less food than any other farm animal because its digestive juices are stronger.

It is the ideal meat making machine. Hence every effort should be made to keep it "up" and growing from birth. No let up because it is too much effort to get it back.

It is less effort to draw a wagon a given distance if constantly in motion than if stopped and started every once in a while.

Clydesdale Stock Food

will keep your hogs "up" and growing because it gives a better appetite, thereby increasing the digestive fluids, and these dissolve and assimilate more food and at a profit.

It keeps them in tip-top health enabling them better to resist disease, thereby making a firmer flesh. It gets them to market weight much sooner, saving feed bill. Nothing better for runs. Equally good for Horses, Cattle and Sheep.

Nothing injurious in it and can stop feeding it without harmful effects.

If you are not satisfied after feeding it your money cheerfully refunded by the dealer. Same for all Clydesdale preparations.

Clydesdale Carboline Antiseptic will keep your pens and pigs clean.
