

Two Celebrated COCKSHUTT Scufflers

"RUBY" and "DIAMOND POINT"

Here are two famous members of a famous family. Wherever Scufflers are used, these two have earned splendid reputations for the quality and quantity of their work.

Owing to the variety and closeness of their adjustment, they will exactly meet the requirements of any soil.

EASILY ADJUSTED

The depth and width of cut on both "Ruby" and "Diamond Point" Scufflers can be varied while the Scuffler is in motion. By simply altering the wheel adjustment, the points and blades can be made to run shallow or deep.

Twenty-five different styles of points, blades and hillers are interchangeable on either implement. So that either Scuffler is perfectly adapted to a great number of widely-differing soils.

"Ruby" and "Diamond Point" Scufflers can be seen at any of our agents. Complete new implement catalog mailed free on request.

Outdoors or in—this is the PAINT paint that gives satisfaction

Stands the test of Canada's trying weather as no other paint you have ever used. For barns and other buildings, for your implements and wagons, and for your home, both outside and in there is a Ramsay finish that is the best of its kind. To the man who does his own painting the convenience and economy of Ramsay's Paint is self evident. The man who hires painters to do his work for him will do well to specify Ramsay's paints—they wear so well and protect wood and metal so thoroughly from deterioration. The local Ramsay dealer will give you splendid service and suggestions. Or write direct to the factory.
