That Mr. Lyndhurst Ogden, Mr. R. H. Temple and Mr. W. Gibson Cassels be and are hereby appointed scrutineers. Carried.

The assistant general manager, at the request of the chairman, read the report of the directors and the statement of affairs.

## The Report.

The directors have pleasure in submitting to the shareholders their thirty-first annual report and balance sheet of the affairs of the bank as on 30th April, 1906, giving the result of the business of the bank for the financial year (eleven months) which ended that day.

The net profits of the year after making full provision for all bad and doubtful debts, for interest on unmatured bills under discount, for the usual contributions to the pension and guarantee funds and providing for provincial and other taxation, amount to \$535,786.20, which has been applied as follows:—

- (a) Dividends at the rate of 10 per cent. per annum have been paid amounting to ..... \$335,406 23
- (b) Bank premises and furniture account has been credited with ..... 100,000 00
- (c) Profit and loss account has been increased by ..... 100,379 97

The premium amounting to \$927,741.50 received on new capital stock, the issue of which was authorized on the 18th June, 1902, and which was allotted to shareholders on 30th June, 1905, has been transferred in bulk to rest account, which now amounts to \$3,927,741.50, and will be further increased to \$4,000,000 when the balance due, upon the subscribed shares has been paid in.

Branches of the bank have been opened during the year at Cobalt, Fonthill, London, and Ridgeway, in the Province of Ontario, also in the city of Quebec, in North Battleford in the Province of Saskatchewan, and in Banff, Calgary East and Red Deer in the Province of Alberta. Suitable premises are now under construction in Winnipeg and in Edmonton to replace existing structures, which have been found insufficient for our requirements.

Since our last meeting the bank has suffered a great loss in the death of its president, Mr. T. R. Merritt, who was one of the founders of the bank, and a director since its start in business. Mr. Merritt became vice-president at the first meeting of shareholders in 1875, and continued in that office until he succeeded the late Mr. H. S. Howland as president in the year 1902. Throughout this long term he was devoted to the welfare of the bank, whose success is largely due to his watchfulness and care. The vacancy on the board created by Mr. Merritt's death has been filled by the appointment of Mr. Peleg Howland, a son of our first president. Mr. D. R. Wilkie, vice-president, was elected to the office of president, and the Honorable Robert Jaffray to that of vice-president.

The policy of the board in appropriating a considerable portion of the profits of the year in reduction of bank premises account is one which they hope will be appreciated and approved of by the shareholders.

The capital of the bank was increased in 1902 by \$1,500,000, making it as at present \$4,000,000. The development of the Dominion since then has been phenomenal, calling for increased banking facilities. Your directors hold the same opinion to-day as they held in 1902 and believe that any additional capital required can be most readily and most economically furnished by the institutions which are already firmly established. Your directors have, therefore, decided that a further addition to the capital of the bank is advisable and a by-law will be submitted to you for your approval authorizing an increase in the capital by the sum of \$1,000,000 to be used in such amounts and at such periods as the directors may determine.

The change from semi-annual to quarterly dividends which has been adopted during the past year, will we trust, also meet with the approval of the shareholders.

A by-law will be submitted for your approval providing for the remuneration of the president and directors, and increasing their number from eight to eleven.

The head office and branches of the bank have all been carefully inspected during the year, and your directors have pleasure in bearing testimony to the faithful and efficient manner in which the staff have performed their duties.

D. R. WILKIE, President.
