### How to Please One's Readers

This is the pleasing problem continually con-  
fronting the makers of journals. The newspaper  
manager or editor who says "This paper is as good  
as it is possible to be," will never please his readers.  
To say that the journal can yet be improved is the  
way to win the further esteem of old readers and the  
patronage of new. That is one more reason for  
the success of the Monetary Times.  
A JOURNAL OF CANADA  
IN THE 20TH CENTURY  
Every mail brings in new readers. The  
Monetary Times is constantly improving. Its  
efforts are to serve the interests of its large reading  
public. If it does not please you personally, drop  
a line and tell us why.

## A Healthy Sign

in the life of any publication is First: the  
condition of its subscription list; Second:  
its class of advertisers. The Commercial  
has never enjoyed a more prosperous period  
than the present—particularly in the matter of  
new subscribers. The reason is not far to seek.  
This journal's paid circulation is larger  
than that of any weekly trade newspaper in  
Canada, and in the middle and Western  
Canada its circulation is larger than the  
combined circulation of all other trade news-  
papers.  
Advertisers in the Commercial get  
RESULTS. If you want business from  
the rapidly growing and best buying prov-  
inces place an advertisement in
