

Book Steward's Department

The Rev. H. PICKARD, D.D., Book Steward. The Rev. T. W. SMITH, Assistant Book Steward.

All letters relating to the business of either the Book Room or the Wesleyan Newspaper Office, and all remittances of money for the Wesleyan, as well as for the Book Room, should be addressed to the Book Steward and not to the Editor.

But all Books to be noticed, and all communications and advertisements designed for insertion in the Wesleyan, should be addressed to the Editor and not to the Book Steward.

INSTRUCTIONS AS TO REMITTING MONIES.—

- 1.—When sending money for subscribers, send whether old or new, and if new, write out their Post Office address plainly. 2.—See that your remittances are duly acknowledged. A delay of one or two weeks may be caused by the business of this office. After that inquire if they do not appear. 3.—Post Office Orders are always safe, and not very costly. Next to these, is the security of registering letters. Money sent otherwise is at the risk of the sender.

Subscription Books.—Agents Wanted.

The Book Steward at Halifax having been appointed GENERAL AGENT for the very superior Family Bibles and other very excellent Subscription Books published by the Methodist Book Concern of the United States, wishes to secure local Agents to dispose of these works in every part of Nova Scotia, New Brunswick, Prince Edward Island, Newfoundland and Bermuda. He is prepared to make such terms as must render it a profitable business to suitable persons to engage in such Agency.

Any Minister or Preacher may, with perfect propriety, undertake the Agency on his Circuit or Mission, as he will surely largely benefit the families into which he may be instrumental in introducing any of these highly interesting and instructive Books, and at the same time secure the means for making additions to his own Library.

Those who may be inclined to undertake the work are requested to write immediately to the Book Steward for Circulars, etc., descriptive of the works; and those who are not able to undertake the work themselves are respectfully requested to induce some other suitable person to apply for an Agency.

Any person applying for an Agency should specify the territory in which he wishes to have the exclusive right to canvass for subscribers.

H. PICKARD.

NUTRITIOUS

Condiment for Horses and Cattle !!

Important to every man who keeps a Horse, Cow, Ox, Pig, Sheep, or Poultry.

THE NORTH BRITISH CATTLE FOOD COMPANY

London, Dublin, Glasgow, Montreal.

Gold Prize Medal Awarded, London Exhibition, 1862, Honorable Mention, Halifax, 1874.

Halifax, N. S.

The best and most economical Food for Horses and Cattle in existence. The Nutritious Condiment is used in the Stables of Her Majesty the Queen, H. R. H. the Prince of Wales, the Nobility and Gentry of Great Britain, and the principal Crowned Heads of Europe.

Advantages derived from using the Condiment. It will coax the most impaired appetite. It renders coarse provender rich and palatable. It ensures perfect digestion, and make pure blood. It puts Horses and Cattle in good firm flesh. It infuses new life and vigor, and prevents and cures colic. It gives horses a fine soft skin and smooth coat. It cures cold and influenza, and puts horses in condition when other means fail. COWS will be equally improved in health and appearance; and give more and richer milk. OXEN fatten quicker and work better for its use. PIGS fatten in half the usual time, and the bacon is sweeter and better. CALVES and POULTRY are also greatly benefited by its use. It effects a saving of TWENTY-FIVE PER-CENT. in the cost of feeding. Pamphlets with local certificates, sent free on application.

READ THE FOLLOWING TESTIMONIAL FROM PAYMASTER GOOLD.

Halifax, N. S., 9th June, 1879.

DEAR SIR,—My cow having been under the effect of lead poisoning, has been successfully treated by Mr. Byrne, Veterinary Surgeon, and having become much emaciated from its effects, I was induced to try your "Nutritious Condiment." The results have been most satisfactory. After using the Condiment for a short time, she has not only regained her natural tone, but, instead of only a few quarts of milk daily, she is now yielding fourteen and the quality much richer, and we have plenty of cream for butter, and other purposes. I do believe the Condiment to be everything that is claimed for it; and can recommend it with confidence to others.

You are quite at liberty to publish the foregoing Yours very truly, J. K. GOOLD, Major, Staff Paymaster to H. M. Forces.

WHITELEY'S TORONTO MOWER.

FOR SIMPLICITY. FOR DURABILITY. FOR LIGHTNESS OR DRAUGHT. FOR CONVENIENCE OF HANDLING. FOR EASE OF ADJUSTMENT. FOR ADAPTABILITY TO ALL CIRCUMSTANCES. FOR NOISELESS ACTION. FOR QUALITY OF MATERIAL, AND FOR EXCELLENCE OF WORKMANSHIP NOW STANDS PRE-EMINENT.

THOUSANDS

of CANADIAN FARMERS, who have used all other kinds and thoroughly tested the TORONTO MOWER, testify to its great superiority.

The great success of the TORONTO MOWER has excited the jealousy of all rivals, and hence many of those interested in the sale of other machines, do not hesitate to make the grossest misrepresentations concerning it.

All we ask of Farmers is to EXAMINE and JUDGE FOR THEMSELVES, which they may do by applying to the nearest agent, whose name will be furnished on an application, or by calling personally at our address.

The Toronto Reaper,

is driven by the same NEW MECHANICAL GEAR as the Mower, reducing the machinery as in the Mower, to less than one-half of what it is in other harvesting machines, and doing away with the noisy clatter and friction of the old style cumbersome gearing.

It is perfectly under the control of the driver, marvellous in its ease of adjustment and adaptability to all conditions of the crop. Thoroughly built of the best materials and is in short a fit companion to the TORONTO MOWER.

THE SIXTH READER, NEW EDITION

The Publishers of the MARITIME SERIES at first contemplated the issue of a Seventh Reader for advanced classes but acting on the advice of several experienced teachers of Nova Scotia, they determined to enlarge the SIXTH MARITIME READER in such a way as to supply the demand for a more advanced book, without putting parents and guardians to the expense of a separate volume. The New Edition of the Sixth Maritime Reader is now ready. It contains over a hundred pages of new matter of a class suited to advanced pupils. Besides many declamatory pieces of the highest order, there are sections devoted to words difficult to spell, words frequently mispronounced; prepositions, affixes and roots, and lessons in elocution. The arrangement of the new matter will not in any way interfere with the use of the first edition in classes which may already be supplied, as all the new selections are inserted at the end of the volume, and the paging of the first edition has not been disturbed in the second.
