No man should be weak, no man should suffer the loss of that vital element which renders life worth living. No man should allow himself to become less a man than nature intended him; no man should suffer for the mistakes of his youth, when there is at hand a certain cure for his weakness.

Most of the pains, most of the weakness of stomach, heart, brain and nerves from which men suffer, are due to an early loss of nature's reserve power through mistakes of youth. You need not suffer for this. You can be restored. The very element which you have lost you can get back, and you may be as happy as any man that lives.

Easy to Wear. Cures While You Sleep. Never Fails.

Cures, Nervous and Vital Weakness, Enlarged and Inflamed Prostate Gland, Lost Memory, Loss of Strength, Weak Back and Kidney Trouble, Rheumatic Pain in Back, Hips, Shoulders and Chest, Lumbago, Sciatica, Torpid Liver, Indigestion and Dyspepsia.

My success is not limited to any particular trouble, any organ of the body, or any part that lacks the necessary vitality to perform its natural function, can be restored by my method. It gives life to all weak parts, strengthens the kidneys so as to enable them to filter all the impurities that are in the blood. By a few applications the fluid of life circulates through the entire system, rich and red and warm.

One of the world's greatest scientists, whom all the New York papers eulogize as the man of the hour, in a series of lectures at all the great institutes gives his experience in delving into the mystery which surrounds the organ of life. He explains the vital processes, and after ten years of close study arrives at the definite conclusion that demonstration of life and action in every living thing is due to electricity. Now what this great man claims is the same as I have been preaching to the public for the last twenty years. I did not discover it, it has been my belief, and I can cite you thousands of cases of men from seventy-five to ninety who have returned to the hard labor of their youth with a vim, after having worn my appliance for three months.

"I have used your Electric Belt for losses at night, and have experienced most satisfactory results. It has built up my constitution in every way. My stomach was bad, but it bothers me no more. I eat well, and my digestion is perfect. I feel truly thankful for the benefits received, and do not hesitate to endorse your remedy for such troubles as I had."—WM. A. ARMSTRONG, 411 Magdalen Street, Point St. Charles, Montreal, Que.

"I am pleased to be able to tell you that I have derived great benefit from your Electric Belt. When I started to wear it I was very much run down and felt weak, but after using it for three months I must say that I feel perfectly restored to my usual health and vitality. Thanking you for the great benefit received from your treatment."—R. L. HARRIS, Trenton, Ont.

"Your Belt cured me of rheumatism and sore back a year and a half ago, and I have had no reason to put it on again. You know how bad I was before I got it; I had such a soreness across joints and kidneys I could not turn in bed without catching hold of something. The first night I had it on it was a little better, and I used it as directed by you. This, I think, is part of the cure. I do not state these lines as a person who does not know what he is talking about. I am not built that way."—ROBT. CAMERON, Port Hood, C.B., N.S., P.O. Box No. 98.

Dr. McLaughlin.—Dear Sir: It gives me great pleasure to tell you that the Electric Belt I purchased from you some time ago did my wife a world of good; in fact, I am satisfied that it saved her life. It is very seldom that she wears it now only occasionally when she feels weak and run-down. — JAMES BRINDLE, Lamerton, Alta.

Dr. McLaughlin.—Dear Sir: I am fully satisfied with my Belt; it is a good cure. I am stronger in every way, and I thank you very much for your Belt. It is well worth the money I gave for it. Yours truly, WM. J. FEARSON, Fleming, Sask.

I don't want your money if I can't cure you; I don't want any man to buy my Belt on speculation; I take all the chances. I can cite you cases right in our city where men have spent thousands of dollars, and they will tell you that I have given them more relief in one night's use of my Belt than all the drugs they had ever taken. I am not advertising that I give my Belt away. I am willing to cure you before you pay me. All I ask is that you give me reasonable security. You may then use the Belt at my risk and
