

Toronto Market.

GROCERIES.—*Sugars*.—Are firm; prices of both raw and refined are again higher as quoted. *Teas*.—There has been a considerable movement of fine greens to the American market at full prices. *Fish*.—Are still scarce and firm.

BOOTS AND SHOES.—Trade is good, but not quite so lively as for the past two or three weeks. Retailers are meeting their engagements very fairly. Altogether the country dealers seem to be in a better position, and are likely to do a better trade the coming winter than for the past two years.

GRAIN.—*Wheat*.—Receipts 9,430 bush., and 15,000 bush. last week. Fall wheat has met with a good demand, and about 20,000 bush. changed hands at prices ranging from \$1.18 to \$1.24. There are now no stocks in market. Several cars of Spring sold at \$1.07 to \$1.49, and holders now ask \$1.06 to 1.10, with buyers at \$1.04 to \$1.05. An exchange points out the fact that the crop of the Western States is being held back this year to a greater extent than ever before. The receipts at the five principal western lake ports from the 1st of January to the 14th Nov. this year were 29,000,000 bushels, being about two millions bushels more than last year, and twelve millions larger than in 1866. The stock in store in Buffalo on the 23rd Nov. was 377,000 bush., on the 16th 371,000 bush., against 114,000 bush. in 1867, and 178,296 bush. in 1866. *Barley*.—Receipts by cars, 3,794 bush., and 6,000 bush. for the previous week. Shipments for the week ended Saturday last, 31,966 bush., and 32,000 bush. the previous week. Total shipments by lake since the commencement of the season, 680,000 bush. There is a good demand and little offering, and the market is higher. There are buyers at \$1.28 to 1.30 and few sellers. *Oats*.—Receipts by cars, 3,600 bush., and 6,100 bush. last week. A cargo of Chicago oats arrived during the week, per schooner *Jno. Weedon*. Car loads of Canadian are selling at 51 to 52c. *Pens*.—Receipts by cars, 900 bush., and 350 bush. last week. Market dull. Car loads offering at 85 to 88c.; no sales.

FLOUR.—Receipts 1,622 brls., and 1,500 brls. last week. There is some demand for superfine, and sales of two or three lots occurred at \$4.75. A lot of extra sold at \$5.40. Nothing doing in other grades.

PROVISIONS.—*Butter*.—There is a good enquiry for round lots of butter at 23½ to 24c.; holders asking 25c.; no sales. Rolls sell at 23½ to 24c. *Dressed Hogs*.—In fair supply and selling readily at quotations. *Lard*.—Firm at quotations. Little doing in other provisions.

The Gore District Mutual Fire Insurance Company

GRANTS INSURANCES on all description of Property against Loss or Damage by FIRE. It is the only Mutual Fire Insurance Company which assesses its Policies yearly from their respective dates; and the average yearly cost of insurance in it, for the past three and a half years, has been nearly

TWENTY CENTS IN THE DOLLAR

less than what it would have been in an ordinary Proprietary Company.
