

## THE MASON & RISCH THE ROYAL PIANO

LISTEN TO THE VOICE FROM WINDSOR CASTLE

1886

It is well known that during the memorable "Colonial and Indian" Exhibition held in London, in 1886, the Mason & Risch Piano Company were honored with instructions to send one of their Upright Pianos (then an exhibition), to Her Majesty the Queen at Windsor Castle.

1899

In 1899, the Kaiser William, of Germany, was the guest of Her Majesty at Windsor Castle. The Art and Society Paper, "The Sketch," thus refers to the apartments in the Castle assigned to the Emperor's use:

"The beautiful suite of rooms, occupied by the Emperor, is known as the 'Tapestry Suite,' and is exclusively reserved for the use of foreign visitors."

In the sitting-room stands the Prize Piano, shown at the last 'Colonial and Indian' Exhibition, made by Mason & Risch, of Toronto, Canada.

When it is remembered that the Emperor William is an excellent musician, and is, moreover, a most fastidious musical critic, it can be confidently assumed that no instrument could be assigned for his use unless possessing exceptionally fine tonal and other qualities.

When it is further remembered that there are numerous pianos in Windsor Castle to choose from, by the world's most eminent makers, it is no slight honor and distinction for this Canadian instrument to have been detailed for so important and distinguished a position.

1913

And the Mason & Risch is now a better made, a better toned, a better known and a better appreciated piano than ever.

We shall be glad to talk over the Mason & Risch Piano with you—either personally or by mail. We want to tell you why the Mason & Risch is such a favorite with those who "know" a good piano.

### MAKES ASTONISHING CURES

Mi-o-na Tablets Cure Dyspepsia by Promptly  
Removing the Cases, or Money  
Back

There is just one way to cure dys-  
pepsia and stomach disorders, trivial  
or serious and that is to tone up or  
put energy into the stomach walls,  
so that they will be able to properly  
mix or churn the food.

Mi-o-na tablets quickly arouse the  
stomach from its inaction and in a  
short time it is able to do its work  
properly.

Harry Dodd of Bridge Street, Hast-  
ings, Ont., says: "For seven years I  
had suffered and spent much money  
doctoring, but all to no avail. I  
could eat but very little, as the food  
would ferment and, sour, making  
gas which caused serious heart ap-  
pression; I was in constant misery,  
sour gas would belch from my stom-  
ach I was languid and weak and  
had no ambition. I did not feel  
like going anywhere or seeing any-  
one. There was a constant dull pain  
in the pit of my stomach. I was  
unable to sleep, was nervous restless  
and would awake more tired than  
on going to bed. I tried Mi-o-na  
and soon found relief and in less  
than six weeks Mi-o-na had com-  
pletely cured me.

J. D. Clark the druggist sells Mi-  
o-na tablets at 50 cents a large box,  
under a rigid guarantee to do all  
that is claimed for them or money  
back.

### To Make a Better Light

When a lamp fails to give a good,  
clear light and begins to burn dimly,  
it is a sign that the burner needs  
boiling. Take the lamp apart, re-  
move the wick and then boil both  
burner and wick in hot water into  
which has been thrown some wash-  
ing soda.

When every part has been thor-  
oughly cleansed and dried, put in  
the wick, trim it, fill the lamp with  
oil, and you will find that it will burn  
better than it ever did.—Ex.
