

For that Dandruff

There is one thing that will cure it—Ayer's Hair Vigor. It is a regular scalp-medicine. It quickly destroys the germs which cause this disease. The unhealthy scalp becomes healthy. The dandruff disappears, had to disappear. A healthy scalp means a great deal to you—healthy hair, no dandruff, no pimples, no eruptions.

Dr. Hugo's Health Tablets for Women

Women

Medicines, sold alike for men and women, never contain what will do a woman the most good, that is, the uterine and other female tonics. Such medicines may relieve for a little but that is all. They do not cure, because they do not reach the cause of nine-tenths of the ills of women. Women need a remedy compounded for their special needs. Dr. Hugo's Health Tablets for Women are such a medicine. They are a special remedy compounded by a specialist for a special purpose. The specialist is Dr. Hugo, of Paris, who perhaps knows more about the needs of women to-day than any other living physician. Their special purpose is to cure the ills of women and them alone. They are not for men.

Are Just for Women.

DISTRICT NEWS

GLOSSVILLE

Miss Letta Percival is suffering from an attack of bronchitis. A number from this way attended the revival services last week. Mr. and Mrs. Robert Sturgeon, Fairfield East, were guests of Mr. and Mrs. Willows Sturgeon. The opening of the new model school was largely attended by the people of this vicinity. Mr. Samuel and Willie Good have returned after a visit with friends at Kemptonville, Kars, and other points.

CHARLESTON

T. E. Loffan, Brockville Business College student, was a visitor here over Sunday. John Foster, sr., quite ill for a few days, is able to be out again. E. Latimer's little son, very ill with pneumonia, is better. E. Foster has purchased the George Wiltsie farm, near Athens, and is preparing to move there soon. A great many attended the ball at McIntosh Mills on Friday night. Miss Mary Yates, Toledo, is visiting friends here. A great many in this section attended the A. M. S. opening on Tuesday night and all report it a great success.

DAYTOWN

Lots of wood passing through here to Delta. Mr. and Mrs. Eli Wood and daughter Maria spent Xmas with their daughter, Mrs. Frank Eaton of Frankville. Their grand daughter, Miss Violet, returned with them to spend vacation with them. Mr. and Mrs. N. K. Benedict of Athens were visiting at Mr. Eli Wood's on Saturday. Mr. and Mrs. D. Huffman of Jasper were visiting friends here over Sunday. Mrs. John Stuart is quite poorly. Mrs. Arthur Irwin is very sick, but is gaining under the skillful treatment of Dr. Chipman of Delta. Miss Campbell of this place was married last Wednesday. Mr. Milton Scofield is through here again, collecting the road taxes. Mr. James Huffman is taking in the races at Westport this week. The pupils of Lilleyville school are attending our school on account of the lack of a teacher there.

LANSDOWNE

Jan. 18—Mr. Wm. Biggar of Brookings, Dakota, is at present the guest of his aunt, Mrs. D. F. Warren. Mrs. J. Deans of Palmyra, N. Y., returned to her home on Wednesday, having spent a few of the holidays with her father, Mr. Stephen Findlay. Mrs. Wm. Moxley of Tilley spent a part of the week here, visiting her brother W. B. Foley and other friends. The senior room of the school here is under the management of Miss L. Summers of Brockville and the junior room is under the management of Miss Young, also of Brockville. Mr. and Mrs. Algey McKay spent last week at Kemptonville, visiting the latter's mother. A number of farmers in this vicinity have been hauling oats to Brockville and report the sleighing as usual up to-day (Saturday). Mrs. Depeau of Cornwall spent a couple of weeks here, visiting her sister Mrs. (Rev.) Wood. We are glad to say that Mr. Stephen Findlay is quite recovered from his illness. Rev. G. C. Wood is engaged in special services at present here in the village. The Misses Cowan of Charleston are here visiting their many friends.

NEWBORO

Mr. Clakson, a Western horse buyer, purchased a number of horses in this vicinity last week. Mr. Cornett of Lansdowne accompanied him. A number of local Oddfellows attended the installation of officers of the Westport I.O.O.F. lodge on Thursday evening. Mr. Reynolds, Brockville, was in charge. Ice harvesting is the order of the day. The ice is not very thick, but it is all black ice and likely to keep well. The Smith's Falls stage leaves here every evening about 8 o'clock, instead of in the morning as formerly, greatly to the inconvenience of many people here. Numerous complaints have been made. Mr. Wm. Bass and son Charles attended the A.M.S. opening at Athens on Tuesday and the annual meeting of the Delta Fair members on Wednesday. Mr. W. P. Richards, who has been the guest of T. R. Whaley at Oak Leaf for some time, returned home on Wednesday evening.

Coasting is popular at present, but to date no call for ambulance has been sent and all are enjoying themselves.

Miss Wright, junior assis in the Newboro Public School, is dangerously ill with pneumonia.

While moving a horse-power machine last week, Mr. Wm. Hutchings had the misfortune to slip and fall. The machine passed over his legs, badly bruising them, but fortunately no bones were broken.

Mr. Penneth of Smith's Falls was the guest of Mr. Wm. Hart on Sunday. Mr. W. Brown spent Sunday at his home here.

The Intermediate Hockey Team of this place, accompanied by a large number of supporters, went to Westport on Saturday evening to play a game of hockey. On their arrival at the rink, the Westport boys insisted on playing a senior player contrary to agreement and the locals refused to play and returned home without a game. It will likely be some time before the Westport hockeyists will have another chance to exhibit their un-sportsmanlike conduct to a Newboro team.

While sawing wood at Mr. Thos. Dier's last week, Mr. John Pierce had the misfortune to have his foot taken off in a horse-power machine, which he was driving. Medical assistance was summoned and the limb was amputated about four inches below the knee.

LYNDHURST

The carnival held Wednesday by management of the L. B. B. C. Rink was a grand success in every way, the ice being in first-class condition and the crowd sufficiently large to satisfy even the management committee, who intend holding another in the near future. Those appearing in costume were as follows:—

The Hockey team of this village played a league game in Seoley's Bay and were successful by a score of 11 to 4.

Delta and Lyndhurst came together in a league game on Thursday. The game resulted in a tie and was called on account of darkness. Pauline Johnson and Walter McRaye are billed for the opera house on Tuesday, Feb. 6.

Death of Rev. and Mrs. Dunham

Mrs. J. P. Dunham, of Hevelton, N. Y., died Saturday morning at residence in that village. Her husband, Rev. J. P. Dunham, died on Thursday morning, and his remains were taken to Philippsville, the funeral being held at about the same time his wife died. Mr. Dunham was 56 years of age and was ordained to the ministry in 1876. He has served many churches in the Northern New York conference and was transferred from Nicholville to Hevelton last year. He leaves a wife, but no children. Mrs. Dunham has been ill with pneumonia, and the shock of her husband's death added to her low condition, proved fatal. The late Mrs. Dunham was about 52 years of age. Her maiden name was Hester Ann Tackaberry, she being a daughter of the late Charles and Philena Tackaberry, residing near Philippsville. She leaves no family, but two brothers and two sisters survive. They are Elijah, of St. Louis, Mo.; William, Philippsville; Mrs. Martha Alford, Foster's Locomotive, and Mrs. Thos. Mouton, Harlem.

NERVOUS DEBILITY CURED

Excesses and indiscretions are the cause of more sorrow and suffering than all other diseases combined. We see the victims of vicious habits on every hand; the hollow, pinched face, dark circled eyes, stooping form, stunted development, basical, melancholic countenance and timid bearing proclaim to all the world his folly and tend to blight his existence. Our treatment positively cures all weak men by overcoming and removing the effects of former indiscretions and excesses. It stops all losses and restores and quickly restores the patient to what nature intended—a healthy and happy man with physical, mental and nerve powers complete.

For over 25 years Drs. K & K have treated with the greatest success all diseases of men and women. If you have any secret disease that is a worry and a menace to your health consult old established physicians who do not have to experiment on you.

We guarantee to cure Nervous Debility, Blood Diseases, Stricture, Varicocele, Kidney and Bladder Diseases. Consultation Free. If unable to call, write for a Question Blank for Home Treatment.
