BACKACHE AND DIZZINESS.

Most of the Ailments Peculiar to the Female Sex are Due to Catarrh of the Pelvic Organs.

MRS. M. BRICKNER.

99 Eleventh Street, Milwaukee, Wis.

"A short time ago I found my condition very serious, I had headaches, pains in the back, and frequent dizzy spells which grew worse every month. I tried two remedies before Peruna, and was discouraged when I took the first dose, but my courage soon returned. In less than two months my health was restored."—Mrs. M. Brickner.

The reason of so many failures to cure cases similar to the above is the fact that diseases peculiar to the female sex are not commonly recognized as being caused by catarrh.

Catarrh of one organ is exactly the same as catarrh of any other organ.

What will cure catarrh of the head will also cure catarrh of the pelvic organs.

Peruna cures these cases simply because it cures the catarrh.

If you have catarrh write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

A successful farmer of Rodney township informed the public that air-slacked lime was one of the best preventatives for hog cholera known. A little lime dust sprinkled around the pens over the feed and in the nests once a week would not only keep the hogs healthy and thrifty but was a complete bar to the ravages of cholera. Prevention is better than cure and the cost is trifling compared with the benefit received.

One was killed outright and the other two had legs broken and had to be shot.

But Dodd's Dyspepsia Tablets not only relieve—they cure and cure permanently. Thousands of Canadians have found relief after eating in Dodd's Dyspepsia Tablets and after using them for a time have further discovered that they are no longer necessary—that the stomach has recovered and is able to do its work without assistance.

The great Arnold picnic has come and gone, and we are again looking forward to another year. The picnic was a grand success in every sense of the term. There must have been between 2,500 and 3,000 people on the ground. The one chief attraction was the football matches. The teams Tupperville, Louisville, Northwood and Kent Bridge were playing for the F. A. M. S. trophy.

The first game was between Kent Bridge and Northwood, resulting in a score of 1-0 in our favor. The second game, between Louisville and Tupperville, resulted in a score of 2-0 in the former's favor. This left the finals to be played by Louisville and our boys. The result was that our boys triumphantly bring home the cup by a score of 1-0 and a disputed goal. We congratulate our boys on their easy win.
