THE ACADIAN

WOLFVILLE, N. S., NOV. 5, 1886

Local and Provincial.

Accident.—The furniture, etc. of Wm. N. Vaughan is to be sold at auction on Tuesday next at 1 o'clock, p. m. Bargains may be expected.

"Alpha" Withdrawn.—The S. S. "Alpha" has been withdrawn from the Yarmouth and Boston route. Passengers for Boston via Yarmouth can only go on Saturdays.

I. O. G. T.—A new Lodge of the above order will be held in Wolfville on Saturday evening next, by Special Deputy Isaac Farnie, of Windsor.

Boys' Apples.—Mr. John L. Shaw put up for Mr. Geo. W. Eaton, of Berwick, a barrel of Green Mountain apples, each layer of which was made up of two rows and one apple in the centre, or five apples across. Best!

Accident.—Mrs. Moore Shaw, of Wolfville, has a goose that last spring laid eighteen eggs, set and hatched and during the month of October last, she laid ten more and is still laying. This is a rare case.

Arrival.—Martin Luther's autobiography was sold in New York the other day for \$10; that of Philip Melancthon for \$4; and John Brown's for \$20.50. We will send our autograph to any address on receipt of twenty-five cents.

Fallacious.—The report that we refused to publish the requisition to Dr. A. de B. B. to allow himself to be nominated as councillor for Ward 8 is utterly false, as it was never presented to us and we never saw it until it appeared in the Star.

An Old Landmark Purchased.—Station-master Mumford has purchased the old "Religion Building" and taken it down. The dilapidated appearance of this structure has been a source of annoyance for some time and we are not sorry to see it removed.

New Heading.—The Windsor Tribune has adopted a new heading of a very pretty design. This is only one of a number of improvements which its enterprising publisher promises in the near future. We wish the Tribune the success it so amply deserves.

Hallowe'en.—"Hallowe'en" was celebrated this year on Saturday evening. We are pleased to see that the much to be dreaded practice of breaking down houses and carrying away gates, is fast becoming a thing of the past. With few exceptions it passed off nicely this year.

Feudalistic Controversy.—Our two Kentville contemporaries are indulging in a lot of personal editorial abuse of each other, which is gradually becoming very distasteful. Readers of the two papers in question would certainly prefer news to rot, and such matter is not interesting to exchange. —*Amherst Gazette*

Parole Accident.—Mr. Edward Tully, of Grand Pré, met with a very painful injury while in Wolfville on Friday last. His hand was caught between the wheel and body of a loaded wagon as the horses were turning, the back of the hand being torn and crushed in a fearful manner. At latest accounts the wound was doing as well as could be expected.

Reunion.—The reunion service, referred to in a previous issue of the Acadia, is appointed for Wednesday, the 10th inst. at 10 o'clock. There will be three sessions, commencing at 10:30, 2 and 7 o'clock respectively. It is expected that the exercises will be interesting and profitable, and a large attendance is desired. Those who come from a distance may be assured of a warm welcome to the hospitable homes of the valley.

Anniversary.—"Evangelical" Division 8, of T. of Lower Horton, celebrated its eighth anniversary on Monday evening last. After the regular business of the evening had been gone through with an excellent musical and literary programme was presented. Dr. Chipman read an interesting paper on "Temperance dates," which showed careful preparation and a vast amount of research. Rev. David Johnson gave an excellent reading, as did other members of the Division. The music consisted of both vocal and instrumental and was well received. At the close of the programme a magnificent collection was provided by all. Altogether a very pleasant and profitable evening was spent. "Evangelical" is one of the strongest Divisions in the province and doing good work. Long may they continue to uphold the principles of Temperance and Virtue.

SHIPPING.—Schr. J. P. Blake, Durant, sailed for New York on Monday having on board 6,085 bushels of potatoes. Shippers, C. F. Eaton & Co.—Schr. *Unseen*, Master, sailed for Havana, Cuba, on Monday. Her cargo consisted of 1,870 bushels potatoes, 154 barrels apples, 6 M feet lumber. Shippers, C. E. Borden and Sheffield & Wickwire. This new schooner is without doubt the fastest vessel of her tonnage that sails out of Nova Scotia. The schr. *Edmund*, which sailed from Digby the 26th ult., will have to move along quickly or the *Resolution* will land at a Spanish port the first cargo under the regulations of the new treaty. Of course one week's start for Havana makes a great difference: give it to the *Resolution* and the *Edmund* would be nowhere.

Schr. *Edmund*.—The schr. *Edmund*, which sailed from Digby the 26th ult., will have to move along quickly or the *Resolution* will land at a Spanish port the first cargo under the regulations of the new treaty. Of course one week's start for Havana makes a great difference: give it to the *Resolution* and the *Edmund* would be nowhere.

Schr. *Unseen*.—Schr. *Unseen*, Master, sailed for New York on Monday having on board 1,792 barrels apples. She was loaded by R. M. Rand, W. H. Chase & Co. and Austin Kimball & Co.—Schr. *Alfred*, Master, sailed for Havana on Tuesday carrying 1,375 barrels potatoes and 4 M feet lumber.—Schr. *Jesse D.*, Master, will have potatoes here for the American Market. C. E. Borden has chartered her.

CORRECTIONS.—It is reported a meeting was held at Boots Bay to select a candidate to represent this ward at the council board, Jonathan Steele, one of the present councillors, was the choice of the meeting. At another meeting, held in Peregux, for the same purpose, Leonard Insley and D. B. Newcomb were selected as candidates. It is probable that one of these gentlemen will retire before the time for placing their nomination papers in the hands of the officer who holds the election, thus avoiding any contest in this ward.

PERSONAL.—Jacob Walton and bride have returned from their wedding trip. They were well accompanied by the young men living in the vicinity. We tender the "Potato King" and his bride our hearty congratulations and express the hope that they may enjoy many years of wedded bliss.

CORRECTION.

Messrs. Editors.—I read in your paper of last week's issue an excellent article, written and delivered by Miss Gilmore, of Lower Horton, at the Methodist missionary meeting held at that place. It is too good an article to criticize, but I should like permission to correct an error in one of her statements. She remarks as follows: "That Mrs. Harriet Newell was the first lady missionary leaving America for work in the foreign field." She should have said one of the first, as on the same day (19th Feb.) (1812), in the same ship, sailed Mrs. Julia Ann; and on the preceding day (18th Feb.) sailed Mrs. Nott, with their missionary husbands, all sent forth by the same missionary board. With this slight correction, I must say that the essay is an admirable one.

WARD MEETING.

Meeting held at Davison street, ward 7, on the 26th of October, 1886, for the purpose of selecting a candidate to represent said ward in the Municipal Council. The meeting was called to order by the appointment of Robert Schofield to the chair, and Wilbert Davison as secretary. The meeting was well represented by the leading men of different parts of the ward. Resolved that the selection for councillor be taken by ballot. The result was that John Davidson, Esq., received the appointment, unanimously, who, though not anxious for the office, accepted the appointment. It was then resolved that the voters taking part in this meeting do pledge themselves to support the present nominee in the event of an election. Some discussion then arose relative to the workings of the Board Act. Several speakers expressed themselves in favor of the council assuming the responsibility of enforcing the act. On motion the question came before the meeting and passed unanimously that the council was the proper authority to deal with the act.

WILBERT DAVISON, Secretary.

The Kentville *New Star* and *Chronicle* have been throwing mud at each other for the past six months and more. The dispute is now purely on personal grounds and between Mr. Stewart one of the *Star* proprietors, and Mr. Woodworth proprietor of the *Chronicle*. Look here, brothers, don't you think this thing has gone about far enough? Don't belittle your papers any longer with such petty affairs. Your readers must have lost all interest in it by this time if they ever had any, and your exchanges are getting sick of it.—*Bridgton Monitor*.

TO THE ELECTORS OF WARD 8.

GENTLEMEN:—At a Public Meeting held on the 18th ult., and duly advertised in the columns of this paper, I was nominated as a candidate for Councillor for this Ward. At that meeting Dr. Burs, who is now contesting the Ward with me, was present, took part in the business, and voted to support me. On the good faith of his support and others I accepted the nomination. At a largely attended public meeting held on the 21st inst. I placed myself fairly before the Ward on the Temperance and other questions, while Dr. Burs refused to make any statement of his course if elected. In view of the above facts I place myself on the honor of the Ward, asking you for your support, and promising faithfully to faithfully perform my duties to the best of my ability.

Your obt. servant,
JOHN A. WOODWORTH
