SEATS FOR TIGER-OTTAWA SAW-OFF ON SALE TO-MORROW

At Stanley Mills'-Wigle May be Able to Play Next Saturday-Sloppy Weather Interfered With Testerday's Practice.

The announcement made yesterday t hat Gerald Wigle would not be able to play next Saturday was possibly a little premature. When seen this morning Wag said his toe was still bothering him, but expected it would "be in shape by Saturday. He has been unable to practice this week.

On account of the sloppy condition of the weather yesterday afternoon's running around the field, and doing other light work. Fifteen hundred seats will be put on sale to-morrow morning at Stanley

Mills' for the big game in Toronto on Saturday. As this promises to be one of the best games ever played on a Canadian gridiron, there will likely be a rush for the seats.

The Rough Riders and Tigers are the two famous Rugby clubs of the Canadian gridiron, and for years their teams have been regarded as the big teams of the country. This year they are fighting out for the second time in succession, a tie for the Inter-provincial championship and the privilege of meeting Varsity for the Canadian honors and the Grey Cup. The famous Tigers are bent on winning this year, as they feel that it would be a fitting climax to their reputation as the greatest and most popular club in Canada if . they landed the Governor-General's traphy the first year that it is competed for.

Saturday's game will be real class and hard fought, as the keenest of feeling exists between the two teams, who have defeated each other once this eason, both games being bitterly contested all the way. Ottawa-Hamilton rivalry on the gridiron dates back since 1896, and has been growing stronger each year. In the past three years the two teams have met seven times, and the Tigers have been victorious in four games, each team winning the three home games, while Hamilton took the rubber in the game at Kingston last year. meeting of these teams is always spirited, and Saturday's game should prove the most sensational affair of the year.

The Montreal Herald says of Saturday's Varsity-McGill game: "The visit-ing backs on the whole were much more reliable than the locals, and they made scarcely a fumble, the few slips they did make counting for nothing. From the showing made by the visitors it does not seem that the inter-collegiate champions will have a ghost of a show when they meet the winners of the Inter-provincial Union for the Dominion championship, but Varsity's strong back division, along with McGill's fast wing, would make a formidable aggre-gation for any chasers of the pigskin to buck up against.

Ottawa, Nov. 17.—Rain and hail, which fell heavily here yesterday after-noon and night, may force the Ottawa football team to do its practing for Saturday's big game against Hamilton indoors. Varsity Oval was in such a state yesterday that the regular workout against the intermediates was called off, the men spending an hour in tackling, kicking and running. New plays were again rehearsed by the men on the line while the halves limbered up in catching and punting. All the players were again out, but Stronach. Fears are now expressed that the famous Scot may not play, but it may be taken for granted that Stronach will not be missing when the whistle blows, although it will likely be his last match. Varsity Oval, if the present weather contin-ues, will again be unfit for practice today, so arrangements have been made to have the men do their drilling at Dey's Arena, where the big hockey games are played. The turf there is good and there is plenty of room for two full teams to play in comfort.

Ottawa, Nov. 17.—"Murder committed under liquor is murder; committed in a football scrimmage, it is rough play. Under such circumstances and drill are our young men of to-day trained. In the bull-fights of Mexico or Spain, the bulls are baited; here in civilized Canada it is the men. I would rather be a matador in Spain than a professional inCanada."

These were some of the striking statements of Rev. A. A. Cameron First Baptist Church, when he terrbly arraigned he present brut the field of sport, and paid special attention to the harm that profes alism is lead to.

He closed with: "Let all oppose professionalism and let the arm of the law be brought to restrain them. Let our young men find their recreations in the **amateur** associations and deem it unmanly to be out for hire as professional sportsmen, and let us cease to regard sport as the all in all of young men."

BERT STRONACH WILL PLAY WITH OTTAWA.

The Rough Riders Would be Demoralized Without Him - The Back Division Will be Unchanged For Saturday's Game.

Ottawa, Nov. 17 .- Despite rumors to the contrary, Bert Stronach will play with the Ottawas in the Inter-Provincial saw-off at Toronto on Saturday. Stro nach has not been at practice since the match at Hamilton, nor did he resume work until Saturday, but while his condition is bad, he is improving and can be counted on to line up in the most important match of the year. Stronach is troubled with water on the knees. They swell up whenever he takes any violent exercise, and after the match at Hamilton both his knees were as big as toy balloons. However, he stated last night that he was feeling better, and that if everything goes well he will be in line. President Nagle, of the Ottawas, made a like statement. As the team would be demoralized without Stromach, nothing will be left undons to get him in good shape. He will not purctice before the game, but is in good shape, and may be looked to for his usual thrilling stunts.

It was said last night that there would be no changes on the back division. The halves are playing better and may be relied on to make a big fight to re-deem themselves when they go up against Tigers. The wing and scrim-mage men are showing great improvement, and Quarter-back Kilt is playing such a dashing game that the officers look for big gains from him.

It was halling and raining here yesterday, so the men took things easily, prac-tising tackling, running and punting. All the men but Stronach were in uniform, The crippled knees show no signs of stiffness, and it is no secret that the officers are delighted with the manner in which the team has been going. The team leaves for Toronto Friday morning, and that night about a hun-dred supporters will follow them.

No officials have yet been agreed upon. After to-day's meeting the Ottawas will make several suggestions.

Ottawa is emulating the example of Tigerville, and is to have a rooters' club, which will be organized to night at the O. A. A. C. All those who in-tend going to Toronto will ogganize and prepare a number of new songs and cheers.

The betting is surprisingly light, few wagers having been made. Ottawa back-ers are again asking odds, and the chances are that they will get what they are after.

****************************** Dundas-Tigers II. Game to be Re-played

A meeting of the executive of the western district of the Inter-Provincial was held in Dundas yesterday afternoon to consider the protests against Walter Smith, of the Tigers, and Brady, of Dundas. Tigers claimed that Brady was a resident of Toronto, and not of Dundas, and therefore was not eligible to play with the Valleyites. Dundas claimed that Smith had played two senior games this season, which disqualified him for intermediate company. Both protests were upheld, and last Satur day's game was thrown out, and a sudden death game ordered to be played in Dundas next Saturday. The winners of this game will meet the winners of the Ottawa-Grand Trunk game for the championship of the Inter-Provin-cial intermediate series.

Schreck has never been defeated by a negro, he says, but if Langford is fit and does his best it is probable that the ice will be broken. As Langford cannot induce Jack Johnson, Kaufman, Ketchel or Papke to tight him he is compelled to take on second raters for compartively small money. Schreck says he is confident that he can stand Langford off bo a draw.

Faction Hostile to Dillon. Belfast, Nov. 16.—It is stated that William O'Brien, the former Irish leader, is about to re-enter political life. Twen-try members of the Irish party have pro-mised him their support and a number of seats now held by followers of John Dillon will be contested. The followers of O'Brien say they be-lieve that indignation over the budget, combined with what they call the subser-viency of the Nationalist party to the Liberals, will assure their success.
