The Longest Night in a Life.

ters in the days of the Georges, when the ed cheerfully. "I cannot, it is true, pro- What could it be? She longed to call out and herbs, snow lay on the ground for weeks, when mise you a 'state room,' for every bed in for help, but her tongue clave to the roof | railways were unknown, and the electric the house is full, and I know you will not of her mouth, and the pulses in her temtelegraph had not been dreamed of save allow any one to be moved for your con- ples throbbed until she felt as if their by the speculative Countess of London. venience; but I have one chamber still painful beating sounded in the silence of The mails had been irregular for a month at your service which, except in one re- the night like the loud tick of a clock. past, and the letter-bags which did reach the post-office had been brought thither with difficulty. The newspapers were devoid of all foreign intelligence, the metropolis knew nothing of the doings of starvation and destitution, with won- now."

almost caused a public rejoicing; coaches took possession of her outdoor chamber. gently, and with trembling hands drew

Stirling, who had, for weeks past, desired to reach the metropolis. Her friends assured her that it was a foolhardy attempt and told her of travellers who had been twice, nay three times, snowed up on their way to town; but their advice and warnings were of no avail; Miss Stirling's business was urgent, it concerned others more than herself, and she was not one to be deterred by personal discomfort or by physical difficulties from doing what she thought was right.

So, she kept to her purpose, and early in February took her seat in the mail for

partial thaw had but slightly effected the awake him. partial thaw had but slightly effected the wild moorland they had to cross; thick heavy clouds were gathering round the red rayless sun; and when on reaching a little roadside mn the snow began to fall fast, both the guard and coachman urged their solitary passenger to remain to rise in reasonable time.

Mass Stirling laughingly allowed, that though, generally, she could not quite though, generally, she could not quite think it an advantage to be locked into the curtains; he advanced to the bed, sound of the broken chains fell menacuringly on her ear. He laid his hand upon the curtains are the curtains for memorates from the curtains. urged their solitary passenger to remain to rise in reasonable time. there for the night, instead of tempting the discomforts and perhaps the perils of the next stage. Miss Stirling, hesitated for a moment, but the little inn looked by no means a pleasant place to be snowed up in, so she resisted their entreaties, and gathering her turs more closely round at the contraction of the contraction of the curvains, and to a few moments fumbled to find the opening. The moments were all in all to Ellen Stirling. Despair were all in all to Ellen Stirling. Despair of the curvains, and tor a few moments fumbled to find the opening. a snow-drift, and that no efforts of the tired horses could extricate the coach from its unpleasant predicament. The guard, mounting one of the leaders, set closed and shut out that warm comfortament comforted Miss Stirling by telling her that as nearly as they could calculate they were only a mile or two from the land of the hall door as it opened to admit its mistress, and gave a cheerful friendly as mistress, and gave a cheerful friendly as pect to the scene; but, when the door guarded movement should betray her, able light, the darkened porch, the pale in prayer for courage; and when her composure had in some degree returned, they were only a mile or two from the sky, had such an aspect of solitude as to they were only a mile or two from "the sky, had such an aspect of solitude as to reach the window, she might from that squire's," and that if the guard could find his way to the squire's the squire was certain to come to their rescue with his house at all, and let herself be locked up tain to come to their rescue with his louse at all, and let herself be locked up sledge. It was not the first time that the squire had got the mailbags out of a snow
Yet what had she to fear? No harm moved noiselessly across the floor, and a

filled. Within an hour, the distant tinkling of the sledge bells was heard, and
lights were seen gleaming afar; they
rapidly advanced nearer and nearer; and
soon a hearty voice was heard hailing
them. A party of men with lanterns and
shovels came to their assistance; a strong
arm lifted Miss Stirling from the coact,
and supported her trembling steps to a
sledge close at hand; and almost before arm lifted Miss Stiring from the code; and supported her trembling steps to a sledge close at hand; and almost before she knew where she was, she found herself in a large hall brilliantly lighted by a blazing wood fire. Numbers of rosy glowing childish faces were gathered glowing childish faces were gathered to the old world memories which her meeting with Mary Atherton had revived.

This was some comfort, and sleep. This was some comfort, and she greatly needed it. The look-out from the window was anything but inspiriting. The stars still shone peage-fully on the sleeping earth; the moon to the old world memories which her meeting with Mary Atherton had revived.

We are instructed to offer the following Lor or a sound presaged dawn; and after long listening in vain for any sign of life in the Western side of the Old Cardigan Road, and by the best in the city. Charges low.

JOHN B. GRIEVES, sound askep. This was some comfort, and she greatly needed it. The look-out from the window was anything but inspiriting. The stars still shone peage-fully on the sleeping earth; the moon to the old world memories which her meeting with Mary Atherton had revived.

"As you always are, uncle," a merry

first scarcely recognise the bright-haired girl whom she had not seen for eighteen or twenty years; but by and by, she satisfied herself that though the sale was very tired, her eyes achied with weariness, but sleep seemed to fly from the she hastly made signs that he should be silent, but seek assisting the sale was very tired, her eyes achied with the should be silent, but seek assisting the sale was very tired, her eyes achied with the should be silent, but seek assisting the sale was very tired, her eyes achied with the should be silent, but seek assisting the sale was very tired, her eyes achied with the should be silent, but seek assisting the sale was very tired, her eyes achied with the should be silent, but seek assisting the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired, her eyes achied with the sale was very tired. or twenty years; but by and by, she satisfied herself that, though changed, she was Ellen Stirling still, with the same sunny business she had still to get through, that he should be shent, our seen assistance at the house. He gave her a glance of intelligence, and hastened away. How long his absence seemed! Could Ellen Stirling still, with the same sunny smile and the same laughing eyes that had made every one love her in their school days. Heartfelt indeed were the greetings which followed, and the cordial welcome Mrs. Atherton gave her old welcome Mrs. Atherton gave her old the same sunny business she had still to get through, haunted her; and difficulties that had not occurred to her till now arose up before her. She was restless and feverish: and the vexation of feeling so, made her the door opens the courtyard—the more wakeful. Perhaps if she were to be turning in the lock—the door opens the courtyard—the courty and the courty are courted to her till now arose up before her. She was restless and feverish: and the vexation of feeling so, made her the courty are courted to her till now arose up before her. She was restless and feverish: and the vexation of feeling so, made her the courty are courted to her till now arose up before her. She was restless and feverish: and the vexation of feeling so, made her the courty are courted to her till now arose up before her. She was restless and feverish: and the vexation of feeling so, made her the courted to her till now arose up before her to be dead to the courted to her till now arose up before her to be dead to the courted to her till now arose up before her to be dead to the courted to her till now arose up before her to be a dead to the courted to her till now arose up before her to be a dead to the courted to her till now arose up before her to be a dead to the courted to her till now arose up before her to be a dead to the courted to her till now arose up before her to be a dead to the courted to her till now arose up before her to be a friend as she congratulated herself on having dear Ellen under her own roof: more especially as she owed this good formore especially as she owed this good forthe fictoring light distributed by the first light distributed

state of the roads in this bleak country has kept him prisoner here for weeks."

"And others as well," Ellen Middleton added; "but both children and grown people are only to thankful to have so good an excuse for staying longer at Belfield." And then, laughing, she asked Aunt Mary how she meant to dispose of Miss Stirling for the night, for the house was as fall already as it could hold.

"Oh," said her aunt, "we shall manage very well. Belfield is very elastic. She smiled as she spoke; but it struck Miss Stirling that the question was, nevertheless, a puzzing one, so she took the first opportunity of entreating her to take no trouble on her account; a chair by

the provinces, and the provinces knew used to be here more frequently than of heard it, for it occurred to her that the little more of the affairs of the metropolis but the columns of both were crowded men when the house is full; but, as it is house dog, who, having broken his chain, with accidents from the inclemency of detached from the house, I have, of course had sought shelter beneath the bed in

and of still more adventurous mailcoach. to become its first lady tenant," said Miss oppressed her. She persuaded herself men and guards. Business was almost at Stirling heartily. So the matter was set that if she lay quite quiet no harm would a standstill, or was only carried on by fits tled, and orders were given to prepare happen to her, and the night would soon W and starts; families were made uneasy the Pavilion for the unexpected guest. pass over. Thus reasoning, she laid herby the frequent long silence of their absent members, and the poor were suffer-dancing and ghost stories made the hours by the creature began to snore, ing great misery from cold and famine. | fly fast. It was long past ten-the usual and it struck her feverish fancy that the The south road had been blooked up for nearly a month, when a partial thaw stirling, under her hostess's guidance,

After a little time, she raised herself

and delivered, and weatherbound travel- apartment. The crimson hangings of the peered out, thinking that any certainty lers to have some hope of reaching their bed and the windows looked warm and was better than such terrible suspense. Among the first ladies who undertook when the candles on the mantlepiece there, sure enough, the huge creature the journey from the west of Scotland to were lighted, and the two easy chairs lay; a brown hairy mass, but of what London at this time, was a certain Miss drawn close to the hearth, the long-part. shape it was impossible to divine, so fit-Stirling, who had, for weeks past, desired ed friends found it impossible to resist ful was the light, and so strangely was it

in February took her seat in the mail for crossed the threshold to go, when she her intellect, she endeavored to survey

and gathering her furs more closely round her, she nestled herself into a corner of the coach. Thus, for a time she lost all consciousness of outward things in sleep.

A sudden lurch awoke her; and she soon learned that they had stuck fast in a snow-drift, and that no efforts of the

wreath by that means.

could happen to her from within the safely towards the window. As she put out her hand towards the curtains, her side and strong iron stauncheons quard. filled. Within an hour, the distant tink- side, and strong iron stauncheons guard. heart gave a fresh bound of terror, for it

"As you always are, uncle," a merry voice exclaimed. "We all say at Haw tree that Uncle Atherton never can be wrong."

"Atherton! Hawtree!" repeated Miss Stirling in some amazement, "and uttered in that familiar voice! Ellen, Ellen Middleton, is it possible that you are here?"

A joyful exclamation and a rush into her arms were the young girl's ready reply to this question as she cried, Uncle Atherton, Aunt Mary, don't you know mere the stood for a moment gazing at the mirror, expecting a repetition of the mirror, expecting a repetition of the movement; but all was still, and she blamed herself for allowing nervous fears to overcome her. Still, it was an exertion, even of her brave spirit, to approach the bed-clothes, or a slight clank of the manacled hands, sent a renewed chill to her heart. The clock struck five.

Still all without was silent, Suddenly, a man's whistle was heard in the court, and thedriver of the mail-coach, lantern in hand, crossed the yard towards the parvillon. Would to God she could call to him, or in any way attract his attention! she saw the bed-curtains move.

Atherton, Aunt Mary, don't you know your old friend Miss Stirling?"

Mrs. Atherton fixed her soft blue eyes on the stranger, in whom she could at first scarcely recognise the bright-haired will whom she had not rest the stranger for the mantle-piece, and stepped into bed.

She was very tired her eyes ached with

tune to Mr. Atherton's exertions in rescuing her.

"It is the merest chance, too, that he is at home at present," she said; "he ought to have been in Scotland, but the state of the roads in this bleak country has kept him prisoner here for weeks."

Ight on that side, and turned again to state of the roads in this bleak country has kept him prisoner here for weeks."

Outside, turned, like a wild beast, on his outside, turned, like a wild beast, on his state of the roads in this bleak country has kept him prisoner here for weeks."

followed by a loud rustling noise as if Says a Boston ach could proceed.
"We shall be able to do better for you some heavy body were dragged from the Lai

the weather, with heart-rending accounts never asked any lady to sleep there till the warm room. Even this notion was disagreeable enough, but it was as nothing derful escapes of adventurous travellers, "Oh! if that be all, I am quite willing to the vogue terror which had hitherto

began to run, letters to be despatched It really was a pleasant cheerful little back an inch or two of the curtain and comfortable in the flashing firelight; and She looked towards the fire-place, and

in February took her seat in the mail for London, being the only passenger who was booked for the whole journey.

The thaw had continued for some days; the roads though heavy were open; and with the aid of extra horses here and there the first half of the journey was performed pretty easily though tediously.

The second day was more trying than the first; the wind blew keenly, and penetrated every crevice of the coach; the partial thaw had but slightly effected the dreadful moment-she saw his face, his

round her, numbers of bright eager eyes were gazing curiously upon her, kindly hands were busied in removing her wraps and pleasant voices welcomed her and congratulated her on her escape.

"Ay, sy, Mary," said her host, addressing his wife. "I told you that the sleigh would have plenty of work this winter, and you see I was right."

"Ay, and you see I was right."

meeting with Mary Atherton had revived. The sound of the clock striking two was the bed-curtains move.

"A Lot situate in the Parish of Douglas on the western side of the Old Cardigan Road, and its outer world, she heard the stable clock strike four.

Only four!

She felt as if it were impossible to survive even another hour of terror such as she had just passed through. Was there no hope? None.

She tried to support herself against its reflection she saw, or at least fancied caused it to shake and creak in a manner.

Land for Sale. GOO A CRES fine quality farming land within three miles of either Rent or East Floreneville Station on the N. B. Railway, can be purchased at a low rate. The will be a grand chance for a number to make a settlement, and neighborhood for themselves a good road passes the land at 1 the market, for country produce is better here than it most parts of this Province, as it is within a very short distance of the while operations of the Miramich lumberers.
