

You never take a chance when you buy Red Rose Tea. You know the tea will be just as you expect—that fine, rich flavor and refined even strength, which never varies and always pleases.

Prices: 30c., 35c., 40c., 50c. and 60c.

OBITUARY

MRS. ISABELLA AITON.

The death of Isabella, nee Dunn, widow of late James Aiton, occurred suddenly Monday morning about 6.30, deceased, who had been in her usual health the day before, having passed quietly away in her sleep. She lacked but one month of 88 years, being one of the oldest residents of this town. She retained much of her strength and all her faculties unimpaired till the last. Of late years she had not been able to leave her house much and had for much of the time been confined to her room, but she was very active for one of her years, and was well known by a large circle of friends. She was a valued member and liberal supporter of the Presbyterian church. Much sympathy is felt for the bereaved relatives.

Mrs. Aiton was a native of Edinboro, Scotland, where she was born in May, 1823. About 1844 she married John Nimo and with him came out to Kings County, N. B., where the next year her husband was fatally hurt in an accident. By him she had one child, Mrs. Janet R. Steeves, who now lives in Petticoe. About two years afterward she became the wife of James Aiton, who lived till 1901, when he passed away at the age of 80 years. After living in St. John, Pollet River and other places Mr. and Mrs. Aiton finally settled in Newcastle. They had ten children, of whom only one, Hugh Daniel Aiton of Redbank survives. 13 grandchildren and 21 great-grandchildren are living. Mrs. Aiton had many sorrows. After

the sudden and tragic death of her first husband as the result of a fall from his horse, nine of the children of her second marriage died in childhood, five dying within a few days of each other of Scarlet fever in St. John, and the oldest (fifteen), being drowned while bathing in Pollet River. Mrs. Frank Perry of Newcastle is a granddaughter of the deceased by her first husband. The funeral takes place tomorrow (Wednesday afternoon) at 2.30, to St. James Cemetery.

6 YEARS OLD GIRL Cured of Kidney Trouble

Mrs. Alex. Moore, of James St., Oxford, N. S., says: "Booth's Kidney Pills cured our little daughter, Christian, age six years, of many symptoms of kidney weakness. She complained of a sore back, the kidney secretions were frequent and uncontrollable, especially at night. Her stomach was weak and her appetite poor. This caused her to have frequent headaches, and the least exertion would tire her. We had tried many remedies, but she did not improve. Finally we learned of Booth's Kidney Pills and procured a box. In a short time she was well and does not now complain about her back, the kidney secretions have become normal, and she plays around the house with no apparent fatigue. We always recommend Booth's Kidney Pills."

Booth's Kidney Pills carry a guarantee that if you derive no benefit, your money will be refunded. Booth's Kidney Pills are a specific for all diseases of the kidneys and bladder. Sold by all druggists, 50c. box, or postpaid from the R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by T. J. Durick.

KILLED IN THE WEST

A Brother of Mrs. J. D. McAuley of Newcastle Succumbs to Injuries Received in a Washington Mill.

At the Pend Oreille Hospital in this city early Wednesday morning occurred the death of Walter A. Shackleton. Death was the result of injuries received by Mr. Shackleton on Saturday afternoon while working at the planer of the Mosser Lumber Co.

Mr. Shackleton was engaged in tightening a part of the planer with a wrench, when he slipped and his right arm was drawn into the rolls and horribly lacerated. An effort was made to save the arm, but it was found necessary to amputate it near the shoulder which was done Tuesday morning. During the day the patient had several sinking spells and he passed away early Wednesday morning. Poor health for the past three years had left Mr. Shackleton without the vitality necessary to withstand the shock of the accident and the ensuing amputation.

Walter A. Shackleton was born at New Albin, Iowa, Feb. 6, 1867, and made his home there until 18 years old, when he moved to Woodville, Wisconsin, where in 1886 he was married to Carrie Smith, who with three sons, the oldest 14 years of age, survives to mourn his loss. The family has made its home in Newport the past nine years. He had living a sister, Mrs. Munroe, of Seattle, who came to attend the funeral, and one brother in Nebraska.

He was a quiet, unassuming citizen, a good mechanic and had the respect of the people of our town, whose sincere sympathy is extended to the mourning family. Funeral services will be held Friday at 2 p. m. at the Congregational church, Rev. F. E. Whitman officiating. — Newport (Wash.) Miner, March 30, 1911.

[The late Mr. Shackleton was a brother of Mrs. John D. McAuley of Newcastle with whom the whole community will sorrow in her great loss. The other surviving members of the family are: Mrs. Chas. Munroe, St. Paul, Min.; Mrs. Leander Ferris, New Albin, Iowa; Mrs. Geo. Rickard, Cullons, N. D. and Wm. Shackleton of Hayspring, Nebraska. — Editor Advocate.]

SONS OF TEMPERANCE

[From first page]

members those who are under undischarged obligations to any other divisions.

Next meeting of District Division was voted to Chatham in July.

Adjourned.

PUBLIC MEETING

An enthusiastic public meeting was held in the evening. An efficient choir with Miss Olive Williamson as accompanist, rendered excellent music. Guyon A. Mersereau of Chatham sang as a solo "Down in the Unlicensed Saloon," delighting the audience, while very fine temperance readings were given by Miss Helen Gray and Wm. Moore and Richard Atchison of Douglastown and Miss Ella O'Donnell. Rev. R. H. Stavert presided, and the speakers were: James Falconer, H. M. Ferguson, Rev. Dr. H. T. Cousins, H. H. Stuart, D. C. Smallwood, Rev. W. J. Dean and Principal L. R. Hetherington.

JAMES FALCONER

Mr. Falconer gave the address of welcome. He said there was a lot of temperance work needed in this town. The religious revival going on should help the temperance cause.

H. M. FERGUSON, J. P.

Mr. Ferguson said that anti-liquor laws were hardest to enforce. The District Division advocated amendments to C. T. A. and license laws to render both more effective. He hoped that on the 18th Newcastle parents would do their duty at the polls and defeat the liquor interest in behalf of the young people of the town. He hoped to soon see the whole country under prohibition.

REV. DR. COUSINS

Dr. Cousins was well pleased with interest taken by young men in District Division. But in Newcastle interest seemed lacking. We should always appeal to the people and take the aggressive in temperance work. Sanitariums were as badly needed for drunkards as for consumptives. The C. T. A. was being degraded by way it is enforced—Newcastle being no exception. With saloons closed, jails and poorhouses would also largely close. He wished every success to H. H. Stuart for Alderman and Dr. Pedohn as Mayor in the coming civic contest. Without prejudice against any of the present council, we needed a good Mayor and good aldermen to ensure a clean town. Hoped next election will close the doors of Newcastle saloons as effectively as they are now closed in Chatham.

H. H. STUART

Mr. Stuart dwelt upon the misery, degradation and loss caused to the world by man's selfishness and greed. The times called for self-sacrifice. Much was being done to relieve poverty and distress and clip the claws of those who for the sake of gain tempt and ruin their fellowmen. P. E. I. and N. S. were getting effective temperance legislation. He hoped New Brunswick would soon be in line with these provinces.

REV. W. J. DEAN

Rev. Mr. Dean believed in total prohibition, but by the bottles thrown into street by his house it

locked as if he kept a grog shop. Liquor seems easily obtainable in Newcastle and largely consumed. But Temperance workers are finding their work easier. He would assist all he could in electing Temperance candidates to council, if otherwise qualified. He believed that the two candidates here tonight would be elected.

D. C. SMALLWOOD

Mr. Smallwood, on being called upon said he was a temperance worker. If elected he would do all he could to put down the liquor traffic. The Scott Act could be much better enforced here.

L. R. HETHERINGTON

Principal Hetherington, Grand Sec. of the I. O. G. T., would do all he could for Temperance in Newcastle. C. T. A. was ineffective because left to local authorities. It should be enforced by provincial officers.

REV. R. H. STAVERT

Rev. Mr. Stavert gave a ringing appeal to the people to unite and abolish the liquor evil. He urged every one to do his duty on the day of the civic election.

CIVIC AFFAIRS

(Continued from page 4)

Judging from recent reports all is not peace and harmony around the table of the Police Committee. Recent attempts to suppress the sale of intoxicating liquor have not proved very successful. At or about Christmas all was excitement. There was a general rush for the suppression of the liquor traffic, and for a time it proved very effective. But war was declared between the members of the police committee, and if we are to judge from present indications the anti-Scott Act forces prevailed. At any rate the bars were thrown open and the policeman left off his raiding to take up the more arduous employment of arresting drunks. There is something radically wrong here. The chairman certainly appears sincere in his efforts. What about his support? Between him and one of his conferees a war to the knife has waged for some time past and the Inspector is left to the exercise of his legitimate discretion. To remedy this one evil is no small task but it can and should be remedied. Public sentiment at the present time is certainly in favor of the Scott Act so long as we have it. Why, then, is the will of the people not carried out? Simply because we have the wrong men on the Police committee.

CITIZEN.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer ONE HUNDRED DOLLARS for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Take Hall's Family Pills for constipation.

200 MORE WORKMEN KILLED

Terrible Disasters in Two American Coal Mines—Victims Were Convicts or Foreigners.

Littleton, Ala., April 8.—It is feared that 150 convicts have been killed by a mysterious explosion that occurred in the Banner Coal Mines near here at 6.30 this morning. One hundred and ninety miners were sent into the underground workings this morning, and up to 10 o'clock only twenty had been brought up alive. The bodies of the dead showed that they had made a hard struggle for life, burying their face deep in the mud and wrapping their coats about their heads in an effort to ward off the poisonous gas.

Scranton, Pa., April 8.—Up to 9.43 this morning, seventy bodies had been taken from the ill-fated Pan Coast mine at Throop, where fire yesterday entombed many men.

The disaster is the worst in the history of the hard coal fields in this section, exceeding the number of dead of the terrible Twin Shaft disaster near here some years ago, when fifty men and boys lost their lives by entombment. The fire did not reach the entombed men and the condition of their bodies shows that their death was due to suffocation from smoke or asphyxiation from the gas.

The Stothart Mercantile Co., Ltd., have unloaded a car of nails and are prepared to name a close price either wholesale or retail.

CURE SICK HEAD

Sick headache and relieve all the troubles incident to a bilious state of the system, such as Dizziness, Nausea, Headache, Distress, etc. Pain in the Side, etc. While their most remarkable success has been shown in curing

ACHE

In the face of so many lives that here is where we make our great boast. Our pills cure it while others do not. Carter's Little Liver Pills are very small and very easy to take. One or two pills make a dose. They are strictly vegetable and do not grip or purge, but by their gentle action please all who use them.

CARTER MEDICINE CO., NEW YORK. Small Pill, Small Dose, Small Price.

GREATLY INCREASED PATRONAGE

Has compelled us to seek greater accommodation. Our new quarters, just across Hazen Avenue from our present premises, will give us nearly double our present space, and greatly increased facilities.

We are grateful for the patronage that has compelled this forward movement, and will endeavor to maintain our reputation.

S. KERR Principal.

STAR GOLDIE'S CHOICE BLEND FLOUR

STAR Flour was the best household flour fifty years ago—It is the best to-day. Is that not a splendid record? If you are not now using it ask your dealer for STAR Flour next time you are buying and enjoy good bread and pastry.
