LISTEN TO US

"We are only little ones, but we know Zam-Buk eased our pain and cured our sores. Perhaps it would cure you, too, if you tried it?"

Isn't this sound advice from "babes and sucklings"? Take it! The speakers are the children of Mrs. E. Webster, of Seigneurs St., Montreal, and the mother adds weight to their appeal. She says: "My little girl contracted scalp disease at school. Bad gatherings formed all over her head, and not only caused the child acute pain but made her very ill. The scalp discharged, and occurring on the scalp we feared she would lose all her hair. She was in a pitiable plight when we tried Zam-Buk, but a few days' treatment with this balm gave her ease. Then the sores began to heal, and we continued the Zam-Buk treatment. In a short time she was quite healed. "My little boy sustained a serious scald on the neck. It set up a bad sore, and quite a few things we tried, failed to heal it or give him ease. Once more we turned to Zam-Buk, and we were not disappointed. It acted like a charm in drawing away the pain, and soon healed the wound."

Zam-Buk is "something different" in the way of balm. It contains powerful healing herbage, which, as soon as applied to skin diseases, kill off the germs and end the painful smarting. Other sores contained in Zam-Buk so stimulate the cells that new healthy tissue is speedily formed. Eczema, itch, ulcers, cold sores, abscesses, festering sores, blood poisoning, chronic wounds, cold cracks, etc., are healed and cured in this way. Use it for all skin injuries and diseases. It is also of great service for piles. All druggists and stores at 50 cents box, or Zam-Buk Co., Toronto.

THAT
AWFUL
BACKACHE

Cured by Lydia E. Pinkham's
Vegetable Compound

Morton's Gap, Kentucky—"I suffered two years with female disorders. My health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and an enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLLIE WOODALL, Morton's Gap, Kentucky.

Backache is a symptom of organic weakness or derangement. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Nothing we know of will do this so surely as Lydia E. Pinkham's Compound.

Write to Mrs. Pinkham, at Lynn, Mass., for special advice. Your letter will be absolutely confidential, and the advice free.

HOCKEY

The Victorias added another to their list of victories when they defeated the Fire Department in a good clean game of hockey. The game was well handled by referee Lavoie, his decisions meeting with universal approval. The final score was 4 to 0 in favor of the Vics.

The success of this team can only be attributed to their team play, not so much to their individual abilities. The other teams comprising the league will need to get more practice together, for most of their work is lost on the ice by each one striving to do too much on his own. Individual play looks fine on the ice but it does not get goals, and until the teams get down to good solid combination work, one can scarcely look for a great deal of improvement.

The line-up of the teams was as follows:

C. F. D.	Victorias.
G. Wallace	Point R. Matthews
O. McWat	Rover J. Matthews
W. Ferguson	Cover H. Wallace
Sullivan	R. Wing Schurman
Smith	Centre Delaney
S. McLean	Goal Kelly
Ryan	L. Wing Keith
Referee, R. J. Lavoie.	
Goal judges, Messrs Gillis and McDonald.	

Goal scorers, Keith 2, Delaney 2

STANDING OF TEAMS			
Team	W	L	Pts
Vics	6	0	12
IRC	5	1	10
CFD	5	0	10

Two points for a win, one for a draw.

Children are much likely to contract the contagious diseases when they have colds. Whooping coughs, diphtheria, scarlet fever and consumption are diseases that are often contracted when the child has a cold. That is why all medical authorities say beware of colds. For the quick cure of colds you will find nothing better than Chamberlain's Cough Remedy. It can always be depended upon and is pleasant and safe to take. For sale by all dealers.

FROZEN TO DEATH

James Gallagher, a farmer of Whites Mountain, was found frozen to death on Tuesday the 5th inst. near Newton. He had been in Sussex on Monday and is conjectured to have been drinking. He was found in some bushes over an embankment, while his horse with the overturned sleigh was found near by. An inquest was held by Coroner Wallace. The verdict was death from exposure.

LIBERALS
AND SOCIALISM

Germany's Future Hangs on Fateful Election of New Reichstag — Big Radical Gains Expected.

(Publishers Press News Service) Berlin. — The German government is due for a beating. Just how severe it will be depends on how strong the socialists and other opposition parties prove to be.

The ultimate results of the coming national election will make it the greatest day in German history since the war of 1870. Upon the issue depends the existence of all the political and economic institutions which the outside world regard as representative of modern Germany.

The election is for members of a new Reichstag, the thirteen since the union of Germany. The new Reichstag will be elected by free, equal and secret suffrage. Every male over 25 has a right to

AUGUST BEBEL,
Famous Leader of the German Socialists.

vote. The elector delivers at the polling booth, which is presided over by honorary officials, his ticket, which must be on white paper. The ticket is delivered sealed, or in an envelope, and is thereupon deposited in a voting urn.

The five great parties are the conservative, the center (clerical and Catholic), the national-liberal, the freisinn (radical) and the social democrats or socialists. The election now being fought is, put roughly, between the first two in combination and the last three, more or less in agreement. The conservative-clerical parties form the famous "blue-black block," on which Chancellor von Bethmann-Hollweg relies for a reichstag majority.

The three opposition parties do not form a coalition, although attempts have been made to do so. The famous publicist, Friedrich Naumann, many thousands will vote with the Bassermann to Bebel, meaning that the national-liberals with Bassermann as chief, should (via the intermediate freisinn) join the socialists under August Bebel. The liberals and freisinn and the freisinn and socialists have certain agreements about not splitting forces in doubtful electoral districts and about mutual support in "stichwahlen." But the three parties remain independent of one another and are united only in their common ambition to overthrow the "blue-black block."

In 1907-09, during Buelow's regime, the socialists did not win one special election. Since 1909, under Bethmann-Hollweg, they have won no less than ten. In 1907 the socialists were badly defeated. Their party of 81 was cut down to 43. With the aid of the subsequent special elections, they now have 51 members, and few doubt that the coming election will restore the old 81. Some predict 100; a few enthusiasts say 120.

The genuine socialist vote is precisely known. The question is how many thousands will vote with the socialists merely to display their anti-government bias.

INVENTOR OF FREE LUNCH DIES WEALTHY

Chicago. — Frederick Glahe, inventor of the free lunch, is dead. He came to Chicago when 18, without money. He opened "Fred's Beer Tunnel" in the basement of the McVicker theater. On one side was the bar, on the other a counter, piled high with sandwiches. It was the first free lunch.

"I figure I can offer a man something to eat with his beer, and make money. Beer and food go together," said Glahe.

Glahe's idea justified itself. In 23 years the free lunch was an American institution. Glahe died worth \$200,000, extreme west, to Lake Meleha, on the east. It is reported that the main body of the Turks has retired on Charian, leaving a small advanced body at Azilia.

IN THE LINELIGHT

Martin W. Littleton, congressman from Col. Roosevelt's district, and whom W. J. Bryan classifies as a "thorough-going reactionary" has made a stand against the "classical black-mailers," who have so little regard for our leading statesmen that they will come right out and tell what they think about the lies. What provoked M. W. L. was the accusation that he was a "little brother to the steel trust." That hurt the congressman with his constituents and the hurt of the hurtling there auras, somewhat.

Be Fair. Buy a sack or barrel before judging PURITY FLOUR

SOME people have attempted to judge PURITY FLOUR before knowing the facts about it—before using it. So we ask you to be fair and to buy a sack or barrel of PURITY FLOUR and give it a thorough try-out before attempting to arrive at a judgment.

Look at the beauty and loftiness of the golden-crusted, snowy-crumbed loaves, fit for a king. Count them and see how many more of them PURITY yields to the barrel than ordinary flour does.

Taste the creamy, flaky pie crust, and the deliciously light cakes PURITY FLOUR rewards

you with. My! How they make your mouth water!

Such high-class results can only be obtained when using a flour consisting exclusively of the high-grade portions of the best Western hard wheat berries.

And remember, that, on account of its extra strength and extra quality, PURITY FLOUR requires more water when making bread and more shortening when making pastry, than you are accustomed to use with ordinary flour.
