### MRS. STOCKALL GAINS 12 POUNDS AND FEELS FINE

**Halifax Resident Is Overjoyed At Remarkable Restoration After Eight Years of Suffering—Gives Tanlac Full Credit.**

"I am perfectly delighted with the results I have obtained from Tanlac. My general health has not been better in years," said Mrs. Blanche Stockall, 50 1/2 Oxford St., Halifax, N. S.  
 "For the past seven or eight years I have been in a dreadfully run-down condition. I had extremely poor appetite and never relished anything I ate, and always suffered from a distressing nauseated feeling after every meal. To make matters worse nearly every day I would have a blinding headache and was so nervous I was almost a wreck.  
 "Tanlac has given me a keen appetite and put my stomach in such good condition that nothing disagrees with me now. I have gained twelve pounds in weight and feel fine all the time."  
 Tanlac is sold by all leading druggists everywhere.

### CAMPERS GUILTY OF KILLING FOREST

Apropos of the wholesale destruction of forest areas already this year by careless campers and other users of woods, the Canadian Forestry Association puts this query to every Canadian lover of outdoors:  
 Horses couldn't drag you to a hunting trip in a treeless wilderness; a fishing trip by a treeless stream; or camping out in a treeless valley.  
 Isn't it about true that the call of the Outdoors is the call of Trees? The hospitality of Nature means little to any man except when associated with living trees.  
 Last summer hundreds of parties of campers struck an unfair blow at the rights and privileges of fellow campers, fellow sportsmen and nature-lovers by starting at least 2500 damaging forest fires.  
 Camp fires that were not put out, matches and smokes thoughtlessly thrown on the inflammable 'floor' of the woods, these personal acts killed the camping, fishing and hunting in many thousands of square miles of Canadian forest.  
 Don't be a kill-joy. The forest is made for the fellow who follows after you.  
 Enjoy the woods. There's nothing to fear except Fires. And mighty few fires except what you start.  
 Remember: all big fires start as little ones. One Minute's Care may save a Century of Waiting.

### HALIFAX CLERGYMEN DECLINE TO MARRY COUPLE IN THEATRE

Halifax, N. S., June 6—Attired in their wedding finery, marriage license in readiness and wedding ring in the groom's pocket, Miss Vivian Power and Leo Sullivan awaited in vain last night the arrival of the minister who was to make them man and wife on the stage of a local picture house. Five other couples stood by in case the original principals developed stage fright.  
 The minister did not turn up because the Halifax Ministerial Association held an emergency meeting and passed a resolution "protesting against the prostitution of the sacred ordinance of marriage by exploiting it for advertising purposes and thus vulgarizing and degrading the most solemn contract which can be entered into by man and woman".

The man who didn't mean to hurt your feelings ought to be fed his own medicine.

### PAINS IN BACK AND SIDES

Relieved by Lydia E. Pinkham's Vegetable Compound

Lindsay, Ontario—"I used to have very bad pains in my back and sides and often was not fit to do my work. I tried many medicines before I began to take yours. I saw Lydia E. Pinkham's Vegetable Compound advertised in the 'Toronto Globe' and now that it has helped me I recommend it to all of my neighbors. I keep it in the house all the time and take it once in a while no matter how well I feel, for one ounce of prevention is worth a pound of cure."  
 —ELIZABETH CAMPBELL, 13 St. Paul St., Lindsay, Ontario.  
 To do any kind of work—and you know there is much to be done—is next to impossible if you are suffering from some form of female trouble. It may cause your back to ache or a pain in your side; it may make you nervous and irritable. You may be able to keep up and around, but you do not feel good.  
 Lydia E. Pinkham's Vegetable Compound is a medicine for women. It is especially adapted to relieve the cause of these troubles, and restore them to normal health.
