Princess County Exhibition was held at Summerside on Saturday, and was up to the usual degree of excellence.

Laurier will continue in Parliament and will lead the Opposition. Most of his associate leaders are among the slain.

Frank Miller, aviator, was burned to death in a crash when the gasoline tank of his machine exploded while on an exhibition flight at the Miami County, Ohio.

Four persons were smothered to death in Chicago early on Monday in a fire, believed to be incendiary. The dead were Harry Eganovich, his wife, their baby and L. Alpert, a boarder.

A hurricane of great violence and accompanied by a deluge of rain raged throughout the West Virginia region on Saturday causing heavy loss of life and enormous damage to property. It is estimated that fifty persons were killed.

The French battleship Liberty was blown up Monday morning at London by her own magazine. Part of the crew escaped; but it is believed that several hundred have been killed. She was a ship of 14,635 tons, and valued at over \$8,000,000.

Messrs. Duncan Campbell and Edward Warren, fishermen of Campbell's Cove, picked up, 13 miles north of Sylvester Point, on Wednesday, 20th, a red automatic whistling buoy marked East Point in red letters. They towed it to Campbell's Cove and anchored it there.

The King's County Exhibition on Tuesday of last week was well attended, and from the point of view of exhibits of live stock and farm products was very good. The show within the building was excellent in quality and variety, and was excellent in arrangement.

Stolypin, Premier of Russia, was shot by an assassin in a theatre at Kiev on the 14th, died on the 18th. He was 55 years of age and an administrator of ability. The assassin was captured, tried by Court Martial and was hanged on Monday last. V. N. Kokosoff has been appointed Premier in Stolypin's place.

The C. P. R. wreck at Chesapeake on Friday resulted in several deaths. It was caused by the engine of a working train running tender first, crashing into the van of the eastbound stock train standing on the main line. Eight men in charge of the stock train were in the van, and only one escaped, saving himself by jumping.

Chandler & Reddin have their fall millinery display on now. In addition they are offering for sale a large stock of ladies' and misses' sweaters, coats, furs, ladies' and men's suits, blankets, children's sample coats, and numerous other articles, and all at reasonable prices. Give them a call. New advertisement will appear in our next issue.

The Provincial Exhibition was formally opened yesterday afternoon by His Honor the Lieut. Governor. In consequence of the unfavorable weather the attendance was not very large. The Exhibition will continue today, tomorrow and Friday. Should the weather and track be fit, there will be trotting today and tomorrow. The inside show is fine, and the exhibit of apples is splendid. Further comments must be deferred until next week.

The House of Quality - We're Better on Suits Than a "Lawyer." Drop in and see us about your next Suit and Overcoat

Where Other Clothes Are Weak Ours Are Strong!

Around the shoulders and the neck, and in the parts unseen, where shape is made substantial, lies the strength of Paton's Clothes.

Shapely, not shapeless, shoulders, and close fitting instead of sagging coat collars. These are Paton's characteristics. And more.

You accept nothing on faith if you get a Paton's Suit or Overcoat. You risk none of the disappointments that come with clothes built on promise and sold on argument.

You get higher grade wools in Paton's than are offered in any other clothes. And it is the grade of wool in materials rather than that they're "all wool" that gives the desired appearance and durability.

Get Ready for the FUTURE TODAY

Opportunity may knock at a man's door, but the richest prize go to him who seizes the fickle divinity by the forelock. The only way you can be sure of tomorrow's success is to prepare for it today. At a pinch an ounce of preparation is worth an ocean of regrets.

The man who is not thoroughly trained for a business or commercial life doesn't know who kick's him from behind—he's the last to be hired and the first to be fired. He spends his lifetime doing other people's work while they climb over his back to the ladder of success.

Come out from the ranks of incompetents. Be something—somebody. We can help you. Write for our C. B. C. blotter and free prospectus.
