MONDAY, JUNE 8, 1908.

Canadians are not personally concerned in the politics of East Africa, and may take only a remote interest in the fortunes of Mr. Winston Spenunofficial proposal of that gentleman relating to Britain's possessions under his experiences on a recent tour political situation in those regions. A recent article discusses the question of Hindu immigration to East Africa, and the discussion may be interesting because it seems to point the way to a diversion of India's surplus people which would free British Columbia from the nightmare of an "Indian

invasion." The Indians are in East Africa in large numbers, were there before the bers. There are also those who deoccupy. To them Mr. Churchill propounds the unanswerable query:

"dealing between man and man to "has established himself under "every security of public faith? of East Africa be "administered" out of the country.
