B.I.S. vs. Star.

In the League Football match to-night the B. I. S. and Star teams meet. The former are the ex-champions, and the latter the champion team for last year. Heretofore very stubborn games were played by these two teams and they always drew a big gathering to St. George's Field. After to-night's match the Stars have only

one other to play—that against the Casuals, and if they win that it looks very much like the championship for them. Should they drop a point they and the St. Bona. will likely play-off for the championship cup. The closing of the League matches should be very interesting.

REGATTA MEETING.—The Regatta Committee will meet to-night at Wood's West End candy store.

CITY COUNCIL MEETING.—The City Council will hold the regular weekly meeting this evening. Owing to the Mayor's absence, Councillor Mullaly's motion for an audit will likely be deferred.

League Football, St. George's Field, 7 o'clock this evening, B. I. S. versus Star. Admission, Adults, 5 cents; Boys, 2 cents; ladies, free; grand stand, 5 cents extra.

COULDN'T FISH YESTERDAY.—Yesterday morning it was so rough outside that the local fishermen could not go out on the grounds. J. Connell's boat, however, went out in the afternoon and secured about 4 cwt. of fish near George's Ledge.

CLUB OUTING.—St. Patrick's Amusement Club will hold their annual outing at the Octagon on the 24th inst.

The Red Cross liner Florizel, Capt. Clarke, arrived here at 2 p.m. yesterday from New York and Halifax. Want Match Played.

The C. E. I. football team wrote the Secretary of the League Monday asking that the C.E.I.-Casual match be put on before the Regatta occurs. One of their men who played with the team last year, through illness had been away, and if this match were played before the Regatta he would be eligible to row with them in the race. The match was postponed originally to oblige the Cornwall's people, and the C.E.I. think it a hardship that a good man should be lost to them in the race by reason of this match being postponed. They look for a favorable reply from the League.

Sutton's Body Coming.

The body of the late J. T. Sutton, who was drowned at Sydney, is being brought here by the incoming express. There was a rumor at Sydney when the Bruce left Tuesday evening last that Sutton had been stabbed to the morgue and no examination had been published up to the time the Bruce left. A sum of \$12 was found in Sutton's pocket. The rumor that he had a large sum of money on his arrival at Sydney is not generally credited.

Home's Report.

The S. S. Home, Capt. Blandford, arrived from North, Monday afternoon. She reports very little improvement in the codfishery since last trip. Hook and line fishermen doing fairly well from Bonne Esperance to Battle Harbor, excepting at a few points where there is a scarcity of caplin bait. Trapping at Lances-Claire was good the past week as also at East and West St. Modiste. Grant has 9,000 qtls. to date.

The Adventure bound to Hudson Bay was passed on the 16th inst. at 7 p.m., near St. Peter's Island. Western Star.

8682.—A New and Practical Play Dress.

Combining bloomers and dress in one, this design will prove most practical and popular. It does away with the necessity of wearing petticoats, and is cool and comfortable for summer wear. It may be developed with square or round neck opening, and may be worn with a gümpe in cool weather. The pattern is cut in 3 sizes—2, 4, 6 years, and requires 2½ yards of 36 inch material for the 4 year size.

Wants to Know.

Editor Evening Telegram.

Dear Sir,—There are a few things connected with our annual derby which seem hard to understand, and which I wish to ask the logic of. One of these, I hear, is the hard drawn line that none but those actually engaged in newspaper offices are eligible to compete in the Press Race, and these may be editors, reporters, typists, machinists or even assistants, while printers of other offices, or an amalgamation of printers from several offices, are barred out.

To my mind, knowing as I do the composition of the crews which have been entered for former Regattas, the latter class are none the less members of the Press, and I don't see why, as a printer, if I wanted to create an interest in the Press Race I should be debarred from entering a "nondescript" crew of printers to compete in that race.

The second objection occurs in the Society Race. For the past two years this race has been contested by societies pure and simple. The logic which bars printers from the Press Race, because they are not associated with newspapers, makes it possible in the Society Race for clubs to compete, and for any eight or ten gentlemen who may be good oarsmen to qualify by forming a club. Sir, I can't see why this is thus, and my opinion is, if it is wrong for printers to enter the Press Race, it is obviously wrong for clubs to enter the Society Race. Will some one please explain the nice distinction and oblige.

Yours truly,

TGNORAMUS.

St. John's, Nfld., July 22nd, '10.
P.S.—Of course clubs belonging to benefit societies are not referred to here.

I.-C. L. B. Sports were also presented. Corporal Marshall's Cup won for a one mile race was also presented, and Sergt. Spry, gold medal, while Corp. Chafe got a silver medal. The presentations were made by Lieut.-Col. Rendell who heartily congratulated the winners on their success.

The splendid band of the Brigade was present and discoursed a choice programme of music under the baton of Bandmaster Snow.
