

## Morris Will Modify Fishery Regulations.

Special to Evening Telegram.  
WASHINGTON, Jan. 12. The Commissioners of the United States, Canada and Newfoundland have reached a decision. The Canadian and Newfoundland Governments undertake to change the existing regulations in order to remove the objections of the United States, thus making it unnecessary to call upon the Board of Experts. The effect of this arrangement is to make it unnecessary to re-assemble the Hague Tribunal to act upon the reports of the experts and eliminate any further proceedings at the Hague. All differences which may arise in future as to these or any future regulations which cannot be disposed of by diplomatic negotiations will be referred to the permanent mixed fisheries commission which is to be established in accordance with the recommendations of the Award.

SACRAMENTO, Jan. 12. Japan's first official protest against the proposed anti-Japanese legislation in the United States, comes in the form of a letter from Consul-General Nomura of San Francisco, to Senator Wright, Chairman of the Senate Committee on Federal Relations. "I think the people of this State hardly realize the deep concern felt in Japan on this subject," says the Consul-General. "Discrimination this time will be particularly surprising to the Japanese people, in view of the efforts made during the past two years to cultivate the good will of the American people and to prove to them the sincerity of Japanese good will."

Special to Evening Telegram.  
BOMBAY, Jan. 12. Troops were called out to-day to quell a riot. They fired a volley into the crowd, killed eleven persons and wounded fourteen. Every year riots mark the celebration of Muharram, the first month of the Mohammedan year. Trouble is sure to arise between the Sunnites or the Orthodox section, and the second great division of Mohammedan rioting began with stones and the police found themselves unable to stop the fighting. Then troops were rushed to the scene and at the first rioting afterwards were given the order to fire. The bodies of the dead lay in the street for a considerable time after the rioters were dispersed.

## Few Doses Will Regulate Kidneys.

The blessed relief that follows the use of Pape's Diuretic is a revelation to sufferers from backache or kidney bladder and urinary disorders.

The time to cure kidney trouble is while it is only trouble—Before it settles into Dropsy, Gravel, Diabetes or Bright's Disease.

Pape's Diuretic acts at once upon the kidneys, bladder and urinary system; cleanses, vitalizes and regulates these organs, ducts and glands and completes the cure within a few days. The moment you suspect any kidney or urinary derangement, or feel a constant, dull backache or the urine is thick, cloudy, offensive or full of sediment, irregular of passage or attended by a sensation of scalding, you should begin taking Pape's Diuretic at once, with the knowledge that there is no other remedy, at any price, made anywhere else in the world, which will effect so thorough and prompt a cure.

Misery in the back, sides or loins, sick headache, inflamed or puffy eyelids, nervousness, rheumatism and darting pains, heart palpitations, bilious stomach, Prostatic trouble, dizziness, sleeplessness, listless, weak, worn-out feeling and other symptoms caused by inactive, sluggish kidneys simply vanish. Uncontrollable urination (especially at night), smarting, discolored water and all bladder misery ends.

Your physician, pharmacist, banker or any mercantile agency will vouch for the responsibility of Pape, Thompson & Pape of Cincinnati, who prepare Pape's Diuretic—50 cent treatment—sold by every druggist in the world.

## Social at Gower Street Y.M.A.

Yesterday evening at the invitation of the President of the Association Mr. P. H. Hudson about fifty men attended a social at the Gower Street Y.M.A. An elaborate program had been arranged, and the proceedings opened with a fine speech by the President, in which he thanked the members for their co-operation in making the venture such a success.

Songs were rendered by Messrs. W. H. Peters, E. Taylor and Giddy, R. N. The latter was encored for a rousing rendition of "The Victrola's Flag." Messrs. Coyte, R. Hearder and G. James recited. Mr. Barnes, although over 70 years of age, was particularly pleasing in a dramatic rendering of "An Ode to a Mummy," which he had learned in his boyhood days. Mr. V. G. Currie reading "Papa and his Boy," was amusing. Mr. Roy Kendall accompanied the songs in a praiseworthy manner.

Speeches were made by Rev. L. Curtis, D. D., and J. Giles, whilst Mr. McDrew (President of George St. Y. M. A.), reciprocated the fraternal greetings extended to his Association.

After partaking of ample refreshment provided by the ladies, the National Anthem was sung, and the party dispersed, having spent a most enjoyable time.

**Wedding at St. Leonard's.**  
A very pretty wedding was performed here a few days ago in the Church of the Assumption by the Rev. W. P. Boutney, the contracting parties being Miss M. Rodgers and Mr. J. Leonard. The bride wore cream cashmere trimmed with white satin and lace and veil to match. The bride was attended by her sister Laura and Miss Josie Leonard; the groom was ably looked after by J. Rodgers and T. D. Leonard. After the ceremony the party repaired to the residence of the bride where tea was served, and from there to the bride's future home where supper was held and dancing indulged in until the wee small hours of the morning.
