### Braves Again Down Reds.

Cincinnati, June 13.—Boston by bunched hits when they thrived most on the second game of the series from Cincinnati today, 6 to 4. Boston started scoring in the first inning, when they obtained four runs, knocking Ames out of the box. Packard succeeded Ames and pitched fairly good ball, holding Boston to two runs and seven hits. Perdue pitched four runs and eight hits, all being scattered except in the fourth and seventh innings. Myers came off the batting honors, making three hits, including a home run.

### Phillips Beat Cards Again.

St. Louis, June 13.—Brennan was invincible in all but the final inning today, while Haas won when his team meant runs, Philadelphia winning from St. Louis, 5 to 2. St. Louis could not bunt hits off Brennan until the ninth inning, when three singles and an out gave them two runs. In the second inning Caters, playing right field for St. Louis, after catching Cravath's long fly, crashed into the fence, fracturing his left leg.

### Errors Beat Brooklyn.

Chicago, June 13.—Brooklyn played a ragged game in the field today and errors, coupled with bunched hits, gave Chicago the long end of an 11-inning contest, 7 to 0, and also third place in the pennant race. Pierce pitched in fine form. Ragon became unsteady and was replaced by Stack, who filled the bases in Chicago's ninth inning. Allen took the mound then and retired the side on strike outs. Allen was injured in the eleventh inning, trying to field a bunt from Evers, and was carried to the club house.

### Giants Again Beat Pirates.

Pittsburgh, June 13.—Clarke selected Friday, the 13th, as the day for his return to active playing after his retirement in 1911, but despite his presence in left field, New York took the second game of the series 3 to 2. Seasonal work by the visitors in the field saved Demaree on several occasions. Adams struck out seven men, but was hit hard. On fourth base, New York scored only three runs. New York used Coleman, their new catcher, secured from Danport in the third inning. He threw out three Giants who tried to steal and handled himself well for a youngster who never saw a major league game and was put to work immediately on his arrival, because all three Pittsburgh catchers are unfit for work.

### Yankee Again Defeat Tigers.

New York, June 13.—New York today again defeated Detroit in an exciting game, 4 to 2, but had a little trouble in the bottom of the ninth. The better of Dubuc in a pitchers' battle, the New Yorker had the better support. A spectacular stop and throw by Peckinpaugh pulled Ford out of a tight hole in the seventh.

### Red Sox Win 13-Inning Game.

Boston, June 13.—Hits for extra bases in the ninth inning today enabled Boston to tie the score at 6 to 6, and St. Louis went down to defeat in the thirteenth inning, 7 to 6. The visitors secured the big lead in the eighth when O'Brien weakened. Ball succeeded O'Brien in the ninth and allowed but four hits during the last five innings. In the final, after Hooper had been retired by Walsh, Yerkes and Speaker received bases on balls, the former scoring the winning run on a single to center.

### Philadelphia 2-Cleveland 1.

Philadelphia, June 13.—In the thirteenth inning of today's game Barry hit for two bases and Schang followed with a bunt on which Kahler made a wild throw, allowing Barry to score. Thus did Philadelphia win from Cleveland 2 to 1. Mitchell and Bender both pitched great ball.

### Toronto Took Pair From Leafs.

Montreal, June 13.—Toronto today came to life and won two games from Montreal. The pitching of Brant and Raw was chiefly responsible. The latter, who was with New Bedford last season, behaved like a fiend and had the Royals popping up almost as fast as they came up.

Newark, June 13.—It took the Indians 10 innings to down the Providence nine in Newark today, 3 to 2. When two out in the season, Myers was hit by a pitched ball and took first. He stole second and Eddie Zimmerman walked. Oates then smashed to left for two bases, sending in the winning run.

### Jersey City, N. J., June 13.—With the

game tied in the Skeeters half of the fifth inning, two men out, Purcell on third and Blair on second, Pitcher Davis walked the victory by a shabby hit to the flag pole in center field, sending Purcell over with the winning tally. Jersey City won by 2 to 1.

### NORTHERN LEAD.

Minneapolis, Minn., June 13.—Minneapolis took the second game of the series from Winnipeg by a score of 5 to 4, battling bravely against an early inning Miller leger. Winnipeg did not show until the eighth, but in that round made quite a rush and wound up just one short of a tie. In the ninth inning, the Peggys once more made a try for victory, but with two out and the bases full, the necessary base hit would not come and the thing was over.

Sherrin for Minneapolis was pitted against Corbett for Winnipeg on the mound at the start, but the visiting twirler was not only hit freely, but was wild in addition and was relieved by Moe in the second round. Sherrin was in great form straight through the first seven innings, but in the eighth ran into a bunch of trouble when four singles and a double gave the Peggys their total of tallies.

A due program of sports has been arranged for the afternoon and refreshments and luncheon will be served by a committee of which Miss Adcock is the convener.

The sports are in charge of Mr. Elliott and a committee. Invitations have been issued by a committee headed by Miss Wallington and Miss Parne and a committee are looking after the finances.

### Prince Albert Industrial Site.

Ottawa, Ont., June 13.—An order in council has been passed at the request of the city of Prince Albert setting aside for industrial purposes a tract of forty-seven acres of land, it being a portion of some 461 acres granted to the town in trust in November, 1887, for park purposes. The land must first be surrendered to the Dominion government, when it will be withdrawn from the operations of the order in council passed in 1887, and sold to the city at the current rate of \$3 per acre.

### Twisted His Neck.

Atlanta, Ga., June 13.—Jim Savage was injured in the third round of a scheduled ten-round bout with Salto White here tonight, when the men, who were clinching, fell to the main floor, a distance of several feet. Savage struck heavily on his head and shoulders, wrenching the ligaments of his neck. White was uninjured. This put an end to the fight.

### Much Whiskey at Stake.

One hundred and eighty thousand barrels of whiskey, valued at \$10,000,000 are involved in a deal which is being negotiated between the Stag Distillery Company of Frankfort and Chicago concerns, according to information received here today.—Dispatch from Louisville.

### Keep the Hens Busy.

Hens should be kept busy, even during the hot months. They will not be inclined to do much hustling during the heat of the day, but in early morning and late in the afternoon, when the weather is cooler, they can be induced to take the needed exercise by burying the grain in litter of some kind.—From the opinions of a poultry expert.

### Slides at Canal.

Panama, June 13.—There has been increased activity in the slides in Culbra cut during the past 24 hours. A new movement took place yesterday on the slide on the east bank of the cut, precipitating a large mass of earth and rock into the canal, and covering all the tracks on the east side, choking the drainage ditch, and overturning a steam shovel. This break now extends back to the upper terrace, and the level is cracked still farther back.

### Peary in Legion of Honor.

Paris, June 14.—Rear Admiral Robert E. Peary has been made a grand officer of the Legion of Honor by President Raymond Poincare.

### Lockout at St. John.

St. John, N. B., June 13.—All saw mills of St. John, employed closed their mills rather than meet demand of 25 cents a day for the men. The men have asked to strike tomorrow, but the lockout precluded this step.
