For a minute there is silence, silence save for the language which the two hearts so hear each other may whisper each unto each. Above them sails the moon, tinting Carrie's head with soft silvery giamour; on the trees that rustle beside them sings the highlings. All nature seems to have taken up the harmony of those three magic words and to sing softly—"I love you!" Half be wildered with joy and delight. We turned November into April in the way of selling Carpets. Never before in the history of this business did we sell so many Carpets and General House Furnishings in the same month. We attribute it to the class of goods and the special inducements we have been offering purchasers of these goods. We have been sewnave been offering purchasers of these goods. We have been sewing and laying all carpets at the regular retail price of the carpet alone, and will continue doing so during December. We ark particular attention to our Tapestry Carpets at 55c and our Brussels, with borders to match, at \$1, made and laid. These we claim are not to be equaled in the city and the patterns are shown exclusively in our show rooms. Our stock also includes: show rooms. Our stock also includes:
