MATTER OF SHORT TIME Opinion of Lady, Just From China, About Port Arthur's Fall.

Mrs. Buchanan, formerly of Shanghai, China, has come to London to live, and is at present the guest of Mr. Win, of the army, with its gold or white initials lies across this.

The sensible gown which goes with this hat, and which is somewhat of an innovation here, though it has been worn for some time on the other side of the water, is of a linen color and is simply made. It has a plain skirt and to the fact that these days some simply made. It has a plain skirt and to the fact that these days some simply made. It has a plain skirt and to the reservoir, as against the usual amount of a little over 3,000. When the company and the Darch the usual amount of a little over 3,000. When the third of Shanghai, who died some years ago. She had heard of the beauties of London the Less, even in the third inning. Batteries—Shoe the third inning. Batteries—Shoe was costello's home run in the third inning. Batteries—Shoe was well pleased with the said today that she was well pleased with the country she left shanghai. apparatus, frequent changes being & Hunter, West and Underhill. The with the country. She left Shanghai a short sack coat buttoned the full length, a plain little turndown collar pumps.

The dark changes being & Hunter, west and Underhill. The London Shoe team have had a very successful season, having played seven on July 16. When she was there, she successful season, having played seven games, winning five. Both of the games, winning five. Both of the games with the war while the general symabout the war. While the general sympathy was with Japan, only the Government officials and the upper classes knew enough about the outside world to understand how things were going. Her own opinion was that the fall of
