slow movement away from aristocracy to democracy. We gave autocracy a thorough trial and we've done with it. We closed that chapter when we cut off King Charles' head; not that there was much in that, as I've often said, because his head was the least im-THE CLOSING HYMN.

The service closed with the singing by the congregation of those beautiful lines of old Sir Henry Wotton, which I think are the most beautiful, "Oh, bravo! bravo!' came from the the gentlest, the purest utterance of Lyfe" in the old editions of Wotton. In "Ben Jonson's Conversations with Drummond," you will find the words: "Sir Henry Wotton's verses of 'A Happie Lyfe' he hath by heart." Wotton was a Kentish man who flourished in the last quarter of the sixteenth century and the first half of the seventeenth. He became secretary to the Earl of Essex, and foreseeing the fall of that nobleman in the reign of Elizaof Venice. In his declining years he Lady took deacon's orders.

These are the words of his that the politician and the preacher and the workingmen sang at the close of their neeting in historic Whitefield's, and I think they disclose the spirit of that meeting better than many columns of escription could:

How happy is he born or taught, Who serveth not another's will: Whose armor is his honest thought. And simple truth his highest skill:

Whose soul is still prepared for death Not tied unto the world with care

Of prince's ear or vulgar breath;

Who God doth late and early pray More of His grace than goods to lend And walks with man, from day to day, As with a brother and a friend.

This man is freed from servile bands Of hope to rise, or fear to fall; Lord of himself, though not of lands, And having nothing, yet hath all. WHEN SUCCESS SPELLS FAILURE

Business success for the woman does not mean domestic or individual happiness, and, on the whole, business life
