Castro's Second Note to the Dutch Does Not Make for Peace.

The Hague, Aug. 25.—The Nethers lands Government today received an unofficial copy of the second note sent to it by the foreign minister of Venezuela, in connection with the difficulty which has arisen in the West Indies between the two states. The original of this communication has not

yet come to hand. The cabinet met this morning, and considered this note at length. The general tenor of it does not give the Netherlands Government much encouragement to persevere in its attempts to reach a peaceful settlement with Venezuela,
