# A THREE DAYS'

Chronic coughs and persistent colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action, it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by medical authorities as one of the greatest healing agencies one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that trouble and destroys the germs that

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchial asthma, catarrhal bronchitis and other forms of throat and respiratory diseases, lead to consumption. and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creo-mulsion Co., Limited, Toronto, Ont.—

He led the way into the billiard room curtly directing the butler to leave us.

-Christmas services, St. Mary standing in a recess high above my head, a recess which he must have opened in some way unknown to me. He extended a long arm and grasped my hand in his.
"Up!" he cried, exerted his surpris-

ing strength, and jerked me up beside ing strength, and lerked the the best of him with as little effort as though I had been a child.

He pressed the button of a torch which he held and I saw that we stood upon an exceedingly steep and narrow vooden stair.

wooden stair.
"It is in the thickness of the wall between the panellings," he whispered, solemnly; "a Jacobite hiding place. Sir James knows nothing of it, for has he not spent his life in the Bush?" He mounted the stair.

He mounted the stair.

"On the right," his voice came back to me, "the gun room, the billiard room! On the left, the banquet room! From here comes the laughter—from here comes the danger."

Still he ascended and I followed. The parrow stair terminated in a dusty narrow stair terminated in a dusty box-like apartment no more than six feet high by six feet square. Moris Klaw, ducking his head grotesquely, stood there shining the light about him. From the floor he took up a square wooden case and waved to me to

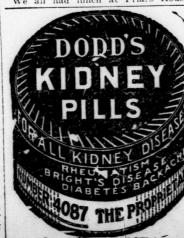

descend again.
"No exit," he said; "no exit. James' bedroom is upon the farther side but as I had anticipated, there is

Klaw, having gone to his room, askng me to await him outside Associated Press Despatch.

New York, N.Y., Dec. 23.—The body case, but carrying a huge notebook, and intimated that he was prepared to of Frank A. Mansey, newspaper and magazine publisher, who died yester-magazine publisher who died yester-magazine who died yester-magazine who died yester-magazine who died yester-magazine who died y his strange eyes gleamed triumphantly day, was laid in state today in the cathedral of St. John the Divine. The funeral will be held tomorrow morning, with Bishop Wm. T. Manning officiating. He was a close friend of the pub-"We triumph," he said. "The haunt-

ing of Grange succumbs to the science of the mind CHAPTER IV. We all had lunch at Friars House,

The morning came and brought a but were by no means a jovial party haggard company to the breakfast Sir James seemed worried and preoctable. Few if any, beneath the roof of cupied, and Clement Leyland even more Grange, had known sleep that night, reticent than usual. Moris Klaw talked although, so far as I could gather, there certainly, but his conversation turned had been no manifestations of any entirely upon the subject of the Borkind. ily he was possessed of a stock of most Moris Klaw talked incessantly about the fauna of the Sahara Desert, and so

> Afterward we wandered idly the beautiful old grounds, which bore ineffaceable marks of monkish cultivation. Sir James, who was walking ahead with Moris Klaw and Isis, sudden the standard waited for me. I had denly turned and waited for me. I had been examining a sandial with much interest, but I now walked on and

joined our host.
"Mr Searles," he said, "may I press you to remain here over the week-end?"
"That's very good of you," I replied
"I think I could manage it, and hould enjoy the stay immensely."
I concluded that Moris Klaw also was remaining, and consequently was sur-prised when a short time later he drew me aside into a rose-covered arbor and announced that he was leaving by the

o'clock train. "But I shall be back in the morning, Mr. Searles," he assured me, wagging his finger mysteriously; "I shall be back in the morning!"

"And Miss Klaw?" "She too, goes by the 4 o'clock train

this charming old tower in my absence?
Do I intrude? But I would borrow the car and return to Grange for my notes!"

"Not a bit!" replied the baronet, readily. "Clement can go with you!"

"No, no! Certainly no! I could not think of it! My old friend, Mr. Searles may come if he so likes; if not, I go large!"

"No the baronet, the lates of inhabiting Grange from the first. He is wise, that Mr. Clement. He has lived in these parts so long. He knows that Grange large!"

He bent to me:
"Day and night," he whispered, husk-

stood looking after it wondering, ut-terly mystified. On the steps behind me stood Clement Leyland and his cousin. The latter's gaze followed the
