

McClary's Kootenay Range

Kootenay Ranges are sold everywhere by good dealers who back up our guarantee on this splendid range—McClary's.

Juicy roasts retain their natural flavor—puddings, bread and cakes are always light and sweet when cooked or baked in Kootenay steel range. The reason is that a scientific system of oven ventilation has been perfected. You should know all about this and numerous other exclusive features before selecting your range.

Marlin Big Game REPEATING RIFLES

The Special Smokeless Steel barrel, rifled deep on the Ballard system, creates perfect combustion, develops highest velocity and hurls the bullet with utmost accuracy and mightiest killing impact.

The mechanism is direct-acting, strong, simple and perfectly adjusted. It never clogs. The protecting wall of solid steel between your head and cartridge keeps rain, snow and all foreign matter from getting into the action. The side ejection throws shells away from the line of sight and allows instant repeat shots always. New .25-caliber now ready.

Built in perfect proportion throughout, in many high power calibers, a quick handling, powerful, accurate gun for all big game.

Every hunter should know all the Marlin characteristics. Enclose 3 stamps for postage. 42 Willow Street, New Haven, Conn.

If you shoot a rifle, pistol or shotgun, you should have a copy of the Ideal Hunter's Book. 160 pages of useful information for shooters. It tells all about powders, bullets, primers and reloading tools for all standard rifle, pistol and shotgun ammunition; how to measure powders accurately; shows you how to cut your own ammunition; how to measure and better shooting. This book is free to any shooter who will enclose in half and do more and better shooting. This book is free to any shooter who will enclose three stamps postage to The Marlin Firearms Co., 42 Willow St., New Haven, Conn.

BRAMWELL BOOTH COMING TO CANADA

Canadian Officials Will Gather To Meet Their Chief.

The Salvation Army in Canada will shortly celebrate an event of historical importance to that organization in the welcome to the Dominion for the first time of their new general, W. Bramwell Booth, eldest son and successor of the late General William Booth, founder of this world wide movement.

Toronto and Winnipeg are the only centres to be visited by General Booth, and extensive arrangements for public and private gatherings are being made.

The General leaves Southampton on Oct. 23rd, and proceeds direct to Toronto, arriving on Saturday, November 1st, where his engagements will keep him until November 6th, after which he will go on to Winnipeg remaining there until November 11th.

Commissioner David C. Lamb, International Secretary and head of the Emigration Department, Commissioner John Lawley, and Colonel Theodore Kitching will accompany General Booth from England.

All the officers of the Army and delegates in the territory extending from Port Arthur to Halifax, also from Newfoundland will meet their leader at Toronto, and those from Fort William to the Pacific Coast, at Winnipeg.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was all used the boy's cold was gone. Is that not better than to pay a five dollar doctor's bill? For sale by all dealers.

CANADA'S FOREST PRODUCTS LABORATORY

"The Forest Products Laboratory now being established at McGill has for its object the utilization of the bye-products or waste incidental to lumbering operations. At present over seventy-five per cent of a tree is wasted either in the form of stumps, cull logs and tops, or as slabs edgings and sawdust. The work to be accomplished by the Laboratory will be conservation in its broadest and most practical aspect," writes Mr. A. G. McIntyre Superintendent of the Dominion Forest products Laboratory in this week's issue of the Journal of Commerce, Montreal.

What they hope to do is well expressed by the following:—Instead of a sawmill only, there will be a group of plants in which wood will be converted not only into lumber, but into alcohol, paper and other staples of commerce. From it in some cases would also be secured turpentine, rosin and other valuable oils and gums."

BLACK CAPE

Mrs. Frenette returned on Friday to her home in Petit Rocher.

Miss Stevenson who is teaching school in Runnymede spent Thanksgiving in Black Cape with friends.

No. 1 school is closed for a few weeks on account of our popular teacher, Miss Jennie Campbell being down with the measles.

Mr. Edgar Campbell has arrived from Ontario where he has been for some time.

Messrs Hastwell and Clement Fairservice have gone down to Pabos to work for the St. Lawrence Pulp Co.

Mr. Norman McNair left on Monday for New Carlisle.

The many friends of Mr. Andrew McKenzie are sorry to hear that he is not improving and little hopes are held out for his recovery.

A MESSAGE FROM A WOMAN TO WOMEN

"Every Woman Should Take 'Fruit-a-lives'"

LAKELAND, ONT., MAY 12th, 1911
"Kindly publish this letter of mine if you think it will benefit other women who might be afflicted with the diseases I have had in the past, but am now, thanks to 'Fruit-a-lives', completely cured of. It is my firm belief that every woman should take 'Fruit-a-lives' if she wants to keep herself in good health. Before taking 'Fruit-a-lives', I was constantly troubled with what is commonly known as 'Nerves' or severe Nervousness. This Nervousness brought on the most violent attacks of St. Vitus' Dance, for which I was constantly taking doctors' medicine without any permanent relief. Constipation was also a source of great trouble to me and for which the Doctors said 'I would have to take medicine all my life', but 'Fruit-a-lives' banished all these troubles and now I am a well woman!"

Mrs. FRED. GADKE.

TORONTO CAPITALISTS BUY FOX FARM

An important fox deal was concluded when the option was taken up by a syndicate of Toronto capitalists on the Silver Fox Ranch of Mr. James Tuplin of Black Bank, P. E. I.

The deal was for the ranch and stock of 11½ pairs of silver black foxes, island bred, and the price paid was \$285,000.

In the interval between the option and its being taken up, Mr. Tuplin was approached by Boston capitalists who offered him \$300,000 for the same proposition.

To remove grease spots from wallpaper, take a piece of blotting paper and drop a few drops of benzine on it. Place the blotting paper on the grease spot and place a hot iron on the other side of the blotter, holding it there several minutes.

ATTEMPT TO MOB KING AND QUEEN

Militant Suffragettes Make Dash for Royal Carriage Outside London Theatre

London, Oct. 11.—King George and Queen Mary, who attended a command performance at a London music hall, tonight, had a narrow escape from being mobbed by suffragettes. The women, who had gathered in considerable numbers, made a dash for the royal carriage, on its arrival at the theatre, shouting "women are being tortured in prison."

They had almost reached the carriage when the police closed around, and, with defiant shouts of "votes for women," were hurled back. The suffragettes were treated roughly by the crowd, but managed to escape arrest.

Jewish suffragettes, following for the first time the example set by those of the Christian faith, to day interrupted the service at the West End Synagogue, Baywater, by reciting "May God Forgive Herbert Samuel and Sir Rufus Isaacs for denying freedom to women. May God forgive Herbert Samuel and Sir Rufus Isaacs for consenting to the torture of women." The disturbers were escorted from the synagogue, after their names had been taken by the synagogue authorities. It is understood that Mr. Samuel, who is the postmaster-general, is a regular worshipper at the synagogue.
