OHIO GOES REPUBLICAN

Lively Scenes in Cincinnati and Elsewhere—The Scene in Chicago—West Virginia, of Course, Goes Democratic.

Buffalo, N.Y., Oct. 14 .- 10.30 p.m.-The meagre returns received thus far from Ohio indicate that the state has been carried by the republicans, who have over-come the hostile majority of 12,629 on the governorship of last year and 19,115 on the scoretary of state vote in the year preceding. The returns up to this hour indicate that the republican majority over the democrats will be from 10,000 to 15,000, and that the full republican state ticket, James S. result of the congressional contest. Six hundred of the 1892 polling precints in Ohio have reported returns which indi-cete that the republicans have a safe majority of between 10,000 and 15,000 for the state ticket. Of twenty one congress the state ticket. Of twenty-one congress-men to be elected, returns have only been received from one third of the districts. These show a gain of two representatives to the republicans. Meagre returns from West Virginiu show that the democrats have retained their hold in the state and have increased their regular vote. The defection in Ohio has materially helped to make the republican majority in that state. BUFFALO, Oct. 15-1.30 a.m.-Late re-

CINCINNATI, Oct. 14.—An enormous vote is being polled. A large number of re-peaters have been arrested. There has been considerable shooting in the 6th, 8th and 19th wards. In the 18th, a demoand 195n wards. In the 185n, a demo-cratic ward, there is great excitement be-cause of the large number of republican votes being polled. In Glendale large numbers of Irish voted the republican ticket. A large vote is being polled throughout the state and West Virginia. The polls closed at 6 o'clock with no ticket. A large vote is being polled throughout the state and West Virginia. The polls closed at 6 o'clock with no further outbreaks. The worst trouble of the day happened in one of the precincts of the 8th ward, where a number of colored deputy marshals came in collision with the deputy sheriffs and bystand rs, and as the latter were largely anti-repub-lican, the colored men were quickly routed, but not till a number of shots were fired A cry of "Lynch the negroos" was raited after a few colored men in sight.
