OR RAILWAY AND COMMERCIAL RECORD.

No 15 SAINT ANDREWS, N. B. WEDNESDAY, APRIL 14, 1852. [Vol. 19]

LAW RESPECTING NEWSPAPERS  
Subscribers who do not give express no-  
tice to the contrary, are considered as wish-  
ing to continue their subscriptions.  
If Subscribers order the discontinuance  
of their papers, the publishers may continue  
to send them until arrears are paid.  
If Subscribers neglect to remove or take  
their papers from the office to which they  
are directed, they are held responsible till  
they have settled their Bill, and ordered  
their papers to be discontinued.  
If Subscribers remove to other places  
without informing the publisher, and the  
paper is sent to the former direction, they  
are held responsible.

## PROROGATION OF THE LEGISLATURE.

LEGISLATIVE COUNCIL CHAMBER,  
Wednesday, 7th April 1852.  
This day at 3 o'clock, His Excellency the  
Lieut. Governor came in the usual state to  
the Council Chamber, and being seated on  
the throne, commanded the attendance of the  
House of Assembly, when His Excellency  
was pleased to close the Session with the fol-  
lowing SPEECH.

Mr. President, and Honorable Gentlemen of  
the Legislative Council;  
Mr. Speaker and Gentlemen of the House of  
Assembly;  
I congratulate you on having brought to a  
close a session of considerable length, and  
considerable importance. A session marked  
by the enactment of some measures which  
may in all probability exercise some influence  
on the future destinies of this Province, and  
of British North America generally.

I allude more particularly to the Acts for  
the construction of a Railway from Halifax  
to Quebec. The moment your deliberations  
on these Bills had closed, I despatched a  
member of my Executive Council to England  
in order that, co-operating with delegates  
from Canada and Nova Scotia, he might ob-  
tain the means for carrying out our wishes.  
I trust heartily that he may succeed in the  
object of his mission.

The legislation has seemed for the mo-  
ment to bring into conflict the interests of  
different portions of the Province. I venture  
however to hope that the time will come when  
all Her Majesty's subjects in New Brunswick,  
wherever they may reside, will look back  
with satisfaction on the measures which you  
have passed, and enjoy the prosperity which  
we earnestly pray may spring from them.

I conceive it to be of great moment that,  
as the interests of British North America  
are in reality one and the same, so the Legis-  
lative action of the several Provinces should,  
so far as possible, be co-ordinated.  
I think therefore, that besides the Railway,  
another step has been taken in the right direc-  
tion by the passing of the Act for regulating  
the Currency of New Brunswick, and I trust  
that Canada and Nova Scotia may pursue a  
similar course.

The School Bill which you have passed,  
after full deliberation and discussion, contains  
an element of success hitherto wanting in  
previous measures of the same kind. I mean  
the provision for inspection and Superintend-  
ence. I anticipate much benefit from this  
change.

The Bill authorizing a Commission to be  
appointed for reporting on the Amendment  
and Consolidation of the Laws, offers the best  
means for securing due care and deliberation  
in so important a matter.  
Mr. Speaker, and Gentlemen of the House of  
Assembly;  
In addition to my thanks for the ordinary  
Supplies which you have voted for the Public  
Service, I feel that you especially are entitled  
to our acknowledgments for the confidence in  
the Executive Government, and the liberality  
shown in the Railway Acts, to which I have  
already alluded. So far as I am concerned,  
you shall not find your confidence misplaced,  
or your liberality abused.

Mr. President, and Honorable Gentlemen of  
the Legislative Council;  
Mr. Speaker, and Gentlemen of the House of  
Assembly;  
Again thanking you for the consideration  
which you have given to all matters submitted  
to you, and the diligence with which you have  
laboured, I release you from your attendance  
here, and bid you heartily farewell.

## CORRESPONDENCE.

For the Standard.  
DICTONQUASH, *meow up in the Woods,*  
March 31, 1852.

"Good morning, Larry," said the Squire,  
"I have been talking with Miles this some  
time concerning this Municipal Corporation  
Bill, which is going to bring ruin and disolu-  
tion on the Country if it is carried; but he is  
so stupidly headstrong, that I cannot do any-  
thing with him; I hope you have thought  
over the conversation I had with you a few  
days ago, and that you are convinced that I  
am right, and that you will go against the  
measure." "You never were more mis-  
taken in your life, Squire. The more I think  
of the matter, the better I like it, as it goes to  
enlighten the people, and wake them up from  
their sleepy thralldom. The sum total of  
the business is this, Squire: Whether it is  
better for each and every Parish to have the  
supervision of their own roads and bridges,  
their schools, their poor, the selecting of their  
own officers, and every thing connected with  
the local affairs of the Parishes—than to have  
it done in the higgles, giegles manner it has  
been in for years; and, until the people  
wake up and accept the Bill, and carry its  
provisions out in its fullest extent, they will  
be more or less mal-administered. The  
Bill is not one of the most perfect; but it is  
better than none; it can be mended, and  
there is no such sweeping taxation in it, nor  
can be, as the opposers of the measure say

there is; they are afraid, from the Repre-  
sentatives down, that they will lose their  
office, and that is the reason they cry "Bab-  
by," to try to frighten the people. I have  
got the Bill in my pocket, Squire, and will  
read it for you, and let you see there is none  
of that sweeping taxation in it, nor can there  
be without the voice of the law-payers, that  
you and the opposers of the measure say there  
is." "Flound on Larry, until we get some  
dinner; Biddy has been cooking some rash-  
ers and bacon, and as soon as we demolish  
them we will have the Bill read both ways,  
backwards and forward, and discuss its merits  
the whole afternoon, until we see about this  
matter the Squire talks of." So that in my  
next, Mr. Editor, you will get the whole  
confab.

## MILES MULDOON.

Your's,

## THE BILL OF EXCHANGE.

We find the following incident in one of  
our exchanges, which we consider too good  
to be lost, and therefore transfer it to the  
pages of the Merchants' Magazine, as well  
calculated to call forth the admiration of our  
mercantile readers. It occurred, we are told,  
in New-York, and the gentleman who ap-  
pears to so much advantage in it, is well  
known in Wall street.

Mr. W. is an Englishman, and a Quaker.  
He has realized a fortune in business, and  
has now retired, spending yearly his whole  
income in benevolent objects; and his merit  
is not lessened by the quiet and unobtrusive  
manner in which he effects his purpose. Some  
years since a young gentleman came out  
from England to New-York, for the purpose  
of going into the same line of business in  
which Mr. W. then was. The young gentle-  
man brought letters of introduction to Mr.  
W., who immediately gave him all the as-  
sistance and counsel he needed to render his  
success in business, sure. After he had been  
in business some time, the young gentleman,  
who was also a Quaker, had to remit funds  
to the amount of \$1,000 or \$5,000 to Eng-  
land, and seeing a bill of exchange for about  
the sum advertised, he went to Mr. W., and  
asked him if it was good. He told him at  
once it was so, and the young merchant pur-  
chased it and sent it to England. But when  
it arrived there it was not accepted, and the  
loss fell, of course, on the young merchant.

Some time afterwards, Mr. W. accidentally  
learned the facts in the case, and went to his  
young friend's store.  
"George," said he, "did not thee buy a  
bill of Jeremiah some time since?"  
"Yes, sir."  
"Was the bill accepted?"  
"No, sir."  
"George, did thee buy that bill at my  
recommendation?"  
"I asked thee about it?"  
"Would thee have bought it had I not  
told thee it was good?"  
"No; I don't think I should."  
"Well, George, I want thee to give me  
that bill."

The young man gave him the bill. He  
went to his own store, calculated the amount  
of exchange at the time when the bill was  
given, added the interest up to the date, and  
drew his check for the whole amount, which  
he then sent to his young friend's store.  
The bill remains to this date unsatisfied by  
the drawer. Occasional instances of this  
kind, and an unvarying practice of truly  
Christian virtues, have placed the society of  
Friends among our most respected citizens  
[Hunt's Magazine.

## A FEMALE SHIP CAPTAIN.

Amongst the fleet latest wind-bound in  
Lunenburg, not the least, but perhaps the  
greatest wonder was the good old brig Cleo-  
tus, of Salscoats, which for more than 20  
years has been commanded by an heroic and  
exceedingly clever young lady, Miss Betsy  
Miller, daughter of the late Mr. W. Miller,  
shipowner and woodmerchant of that town.  
He was concerned with several vessels, both  
in the American and coasting trade. Miss  
Betsy, before she went to sea, acted as  
"ship's husband" to her father, and seeing  
how the captains in many cases behaved, her  
romantic and adventurous spirit impelled her  
to go to sea herself. Her father gratified her  
caprice, and gave her the command of the  
Cleotus, which she holds to the present day,  
and she has weathered the storms of the deep  
when many commanders, of the other sex,  
have been driven to pieces on the rocks.  
The Cleotus is well known in the ports of  
Belfast, Dublin, Cork, &c.—[Glasgow Post.

TO MEND IRON POTS AND PANS.—A corres-  
pondent of the *Scientific American* gives the  
following receipt for mending broken iron  
pots and pans, as superior to the Chinese:  
"Take two parts of sulphur, and one part  
by weight, of fine black lead, and put the  
sulphur in an iron pan, holding it over the  
fire until the sulphur begins to melt, when the  
black lead is added and there is in the moun-  
d. The compound is poured on in a thin  
layer, and when it is cooled it is broken in  
down it is very hard and is then broken in

small pieces. A quantity of this compound is  
placed upon the crack of the iron pot to be  
mended, and by a hot iron it can be soldered  
in the same way as a tin snapper solder his sheets.  
There is a small hole in the pot it is a good  
thing to have, and it is a good thing to have  
it in the pot it is a good thing to have it in the  
pot it is a good thing to have it in the pot it is
