The Bradley Fertilizers. Twenty-three years of actual field test i Nova Scotia have proved these goods to be all that is claimed for them—high grade, uniform in quality, and always reliable.

uniform in quality, and always reliable.
Consult your own interests, and use no other
when you can get Bradley's. For sale
throughout the province. Read what one
of the largest potato-growers of Kings county
says of these goods:

STARR'S POINT, March, 1895.

I have much pleasure in testifying to the value
of the Fertilizers sold by you. I used last year
five tons of Bradley's Potato Manure on twenty
acres of potatoes, with a good deal of satisfaction, averaging nearly 300 bushels per acre from
the whole field. Its dryness and mechanical
condition seem to me to be perfect. I used it
in the Planter without clogging, while other
fertilizers that I used were too damp to be used
at all in the machine. I got good value for my
investment, and shall use it in increased quantities.

SALE OF GRAVENSTEINS

Sweet little maid with the winsome eyes
That laugh all day through the tangled hair, Gazing with baby looks so wise Over the arm of the oaken chair, Dearer than you is none to me,
Dearer than you there can be none;
Since in your laughing face I see
Eyes that tell of another one. directly to Norine. "My love," he said, "what a shock this

Here where the firelight softly glows,
Sheltered and safe and snng and warm,
What to you is the wind that blows,
Driving the sleet of the winter storm?
Round your head the ruddy light
Glints on the gold from your tress spun, Clasping the withered roses still That hide the face of the sleeping one

Hold me close as you sagely stand,
Watching the dying embers shine;
Then shall I feel another hand
That rested once in this hand of mine;
Poor little hand, so cold and chill,
Shut from the light of stars and sun,
Clasping the withered roses still
That hide the face of the sleeping one

Laugh, little maid, while laugh you may,
Sorrow comes to us all, I know;
Better, perhaps, for her to stay
Under the drifting robe of snow.
Sing, while you may, your baby songs,
Sing, till your baby days are done;
But oh, the ache of the heart that longs
Night and day for the other one!

Harry Thurfon Peck in the Rockman. -Harry Thurston Peck, in the Bookm Ob, the gladness in the world
When the trees clap their myriad hands
At the exquisite sight of the lands
In their summer verdure furled!
For the souls of the delicate grass awake
From their graves, and melodious music

"A jealous woman," his aunt assured him friend, "will make you wish you had taken

HE WAS GIVEN JUST ONE MONTH TO LIVE

FIRST ATTACKED WITH INFLAMMATORY RHEUMATISM, AND THEN STRICKEN WITH PARALYSIS - HOPE ABANDONED AND HE LONGED FOR DEATH TO RE-LEASE HIM FROM SUFFERING-AT LAST HE FOUND A CURE AND RELATES HIS WONDERFUL RECOVERY.

The benefits arising from the use of Dr. Williams' Pink Pills are well known to the Gazette. It is a frequent occurrence that

She thrust his genule hand away.

If am very well, "she said.

And all the time she was going over and over in her mind the details of her hashand's acquaintance with Annie Hubbard. He had known her from childhood—long before he met Norine. She recollected his telling her they had gone to dancing school together, but she had never dreamed that he was in love with Annie, or she with him. Now she knew that it was so, since he treasured her her horine. She understood why he had looked his deak. He had married her for her money—loving Annie Hubbard all the time. That fact was patent and plain.

All alay long she went around like a woman, in a dream. She was very pale, and her lips were rigidly set. Her changed appearance and the work of the same places and can should be a she were trible thought was bearing itself in upan her brain. "You love them both. You stand in their sunshine. Move out of it?"

Toward evening she left the hoase, walked to a drug store, entered, saked for a certain powder, at some carresting and deadly.

The clerk looked as her curiously, she fancied, as he gave her the powder, at some caresting and deadly.

The clerk looked as her red was a strain on the same place and four months of age, being part of the prowing of the same places, and four months of age, being part of the prowing of the same places. But we was a she had held. And he whole time one terrible thought was bearing itself in upan her brain. "You love them both. You stand in their sunshine. Move out of it?"

Toward evening she left the hoase, walked to a drug store, entered, saked for a certain powder, at some caresting and deadly.

The clerk looked as her curiously, she fancied, as he gave her the packages and her change.

She went home. Harold was out. She sai down and wrote him a few lines.

The clerk looked as her curiously, she fancied, as he gave her the package san the change of the prowing she work and the destined she work and the him had be added to a drug store, nitred to a drug store, a standard to a mount of the same doctors. It is no wonder that, as he says, life became a burden to him and he longed for death to relieve him from his sufferings. This was in August, 1892. About October of that year he heard of Dr. Williams' Pink Pills and as a forlorn hope determined to try them. He did so, and before long was able to take outdoor exercises. He persevered with the treatment, closely following the The Secret of Long Life.

SPECULATIONS OF THE AGED AS TO WHAT IT when a young man, and is able to follow successfully and without difficulty the lab-

orious calling by which he gets a living. Such was the wonderful story told the Gazette by Mr. Hopkins, who attributes his

A depraved condition of the blood or sheet—read a few calm, desperate words.
Then he dropped the note on the floor between the table and the bed. It was late tween the table and the bed. It was late the read and the bed. It was late the read and the bed ing the blood and rebuilding the nerves, Dr. lieve, attributes his longevity to his habit of taking a daily walk in all weathers, and to disease, driving it from the system and renext morning when Norine lifted her heavy eyelids.

| Casing a daily walk at least part of soil is giving thirty-two bites to every morsel of food. Oliver Wendell Holmes pinned his in cases of paralysis, spinal troubles, locoso—although they didn't get very much. I suppose they thought they had a great find when they broke open the locked box which Dave Harding gave me to keep for him, when Dave Harding gave me to keep for him, when his folks broke up the engagement between him and Annie Hubbard, and sent him out

Herevon in a letter I get from him.

Herevon in a letter I get from him. west. However, in a letter I got from him these things. One old lady of whom we read six boxes for \$2.50, by addressing the Dr. the death of a brother at the tender age of as good."

mony in early life. M. Ferdinand de Lesseps believed in horse riding. Mr. James Payn complains that in his boyhood he got a little New York, and it was my good fortune to bored with too much horse. The Grand
Francais seems to think that one can hardly
have "too much horse." In a letter recentbetter informed than most gails of her age, ly published, M. de Lesseps delivered him-self on the subject as follows: "I shall al-ways feel deeply grateful to Larine, my rid-articulation is slow and strange, but it is ing master, who from my earliest years made me share his keen passion for horses, and I am still convinced that daily horse exercise has in a large measure been the means of Keats was laid on her lap and, passing her enabling me to reach my eighty-fourth year
in perfect health." Carlyle was also a great
rider almost to the end of his long life and
in it. She even detected the smile that he not only rode, but we believe, groomed his horse himself. On the whole, it must be Napoleon was also given to her. After pasconcluded that the real secret of longevity is a sound constitution prudently husbanded. The only general rules that can be laid down it must have been made during his victorious kick because your comfort is a little disturbed. What about your wives? Don't Like It."

are those set forth by Adam in, "As You days, for the expression was less anxious than in one she had "seen" a day or two Though I look old, yet I am strong and lusty,
For in my youth I never did apply
Hot and rebellious liquor to my blood,
Nor did not with unbashful forehead woo
The means of weakness and debility;
Therefore my age is as a lusty winter,
Frosty, but kindly. before. Not only has this child a most remarkable mind, but she must have had the most careful training, for she is not merely well-informed, but cultivated.

Prof. E. Keeler, of the Allegheny observatory, has discovered that the rings of Saturn are made up of many small bodies, and move more rapidly than those on the oute professor will be able finally one of the modern steamers, of which the very accurately the rate of speed at which

leaf of her husband's forced desk, and suddenly retreated a step, turning very white.

Open before her, having evidently been wrenched wide, in the hope of finding money, was a square morocco box. In the box was a bundle of letters and a photograph. The letters were in a woman's hand, and the smiling pictured face was that of Norine's dearest friend.

She held tight to a chair-back, to keep from falling. Her temples throbbed. A hot flush drove the pallor from her ceeeks.

of mind or body or excess of any nature. It gives tone to the nerves and stomach, vigor to the mind and body, and strength to the mind and body, and strength to the mind and body, and strength to the mind and body, restoring the bloom of health to the pale and delicate. It is for sale by all druggists and dealers at fifty cents a bottle or six bottles for \$2.50, and is manufactured by The Hawker Medicine Co. (Ltd.)

She held tight to a chair-back, to keep from falling. Her temples throbbed. A hot flush drove the pallor from her ceeeks. ever incurred by any nation. The German be cut in two and so perfectly would these water tight compartments work that both ends would float independently of each other." The fact that a little Scotch steamer creashed into one of these ships the other

day and sunk it in twenty minutes does not seem to have any bearing upon the case. —Are you all tired out, do you have that tired feeling or sick headache? You can be relieved of all these by taking Hood's Sar-senarille.

The Easiest Running and Best Riders, and will wear the longest. WM. C. FEINDEL. Middleton, March 27, 1895. 52 13i
