> Mrs. Jost was a native of Truro. She was formerly Miss Nellie Tupper when he went to Louisburg to take

charge of the church in that town. In those several circuits and during their sojourn here Mrs. Jost made a host of friends who will be grieved to hear of her passing. She was always a devoted worker of the church wherever her husband was stationed, and her interest in his work was untiring. Mrs. Jost also possessed a ready gift as an organizer and in that respect E.L.FISHER was always of great assistance in the development of the work of her be loved church. Particularly did she show a keen interest in the young people's organizations and it can be Sprains! said that through her kindly influences the destinies of many have been directed along the levels of the high-

est ideals. Mrs. Jost was about 50 years of age and besides her husband leaves one son. Archibald, of the Bank of Nova Scotia staff, Yarmouth; and two daughters, Misses Dorothy, of the nursing staff of the New England Baptist Hospital, Brookline, Mass., but now at home; and Eleanor, also at home; also several brothers and sisters in the United States .- Yarmouth Herald.

Restored to Health By Taking "Fruit-a-tives"

Made of Fruit Juices and Tonics The most convincing proof of the true worth of "Fruit-a-tives" as a medicine for women is found in the

letters written by them to "Fruit-atives". For instance: "I suffered with all the symptoms of female trouble, pains low down in the back and sides, constipation and constant headache. A doctor advised an operation. I started taking "Fruita times" and this fruit

taking "Fruit-a-tives" and this fruit

medicine completely relieved me of all my misery".

Mrs. M. J. GORSE, Vancouver, B.C. 50c. a box, 6 for \$2.50, trial size 25c. At dealers or from Fruit-a-tives Limited, Ottawa, Ont.

Here and There

More than one hundred and fifty traders from the Far North arrived in Edmonton, Alta., recently bringing with them fur sales to the value of approximately \$500,000.

Tarzan Second, the largest wooden scow in the world, was launched recently at the Wallace shipyards, Vancouver, B.C. She is 1,000 tons burden and has 300,000 feet of British Columbia lumber in her make-up. The scow is to be used as a carrier for a great pile-driver for Sydney E. Junkins Company.

in the Red Deer Valley, Alta., near the Canadian Pacific Railway line this summer, by the University of Toronto expedition, composed of four scientists who prospected for several weeks in the gorge and are packing up the prehistoric monsters for shipment to the Royal Ontario Museum. Another skeleton has been located by the Geological Survey of Canada.

One of the outstanding features of Canadian trade with the Orient

Zane Grey, the famous novelist, recently caught a 758 pound tune fish, constituting what is believed to be a world's record. The sea monster was successfully conquered after three hours and ten minutes of grilling endeaver off the Nova Scotia coast, and towed into nancier, who caught a 710 pound

against \$15,677,835 for the same month last year, a decrease of SEALED TENDERS, addressed to \$794,159. But in order to meet the month showed an increase of \$269,527 over those of the same month a year ago. For the 7 months of the year to July 30 gross earnings showed an increase of \$3,017, of \$1,924,013 and net earnings an increase of \$1,098,251.

PREYING ON SALMON

Anchorage, Alaska.-Under a plan adopted by the United States bureau Halifax, 12th September, 1924 the salmon pack of the Cook Inlet section of Alaska from 200,000 cases in recent seasons to 500,000 within of Postal Service. the next few years According to William Studert, in

charge of salmon protection, the depletion of salmon in southwestern Alaska has been due as much to failure to conserve the spawning grounds as to over-fishing. Mr. Studdert declared the greatest enemy to the salswim to safety.

"One trout," he said, "captured in a stream while the salmon fry were est Insurance Company traveling to the ocean revealed 70 odd fry in its intestines. To stop these inroads we have decided to destroy daughter, Mrs. Maurice Chute and ot the trout."
