

the teeth is included. The author may seem to have omitted many details of treatment, in so far as illustrating special cases, but the omission is justifiable, as no two cases can be treated alike, and the practitioner who familiarizes himself with the preceding portion of the book, will intuitively conceive methods for any special case with which he may have to deal. The various mechanical forces are described clearly, while the consideration of the different methods of Drs. Patrick, Farrar, Byrnes, Coffin, and the author's, as well as the treatment of special forms of irregularities, are fully explained. The illustrations, one hundred and sixty-nine of which are original, are very fine. It is unnecessary to repeat that the publishers have maintained their reputation in this volume.

*A Compend of Dental Pathology and Dental Medicine.* By GEO. W. WARREN, D.D.S. Illustrated. Philadelphia: P. Blakiston, Son & Co., 1890. E. M. Renouf, Montreal, or any Toronto bookseller. Price \$1.

One of the handy and useful little series of "Original Compend," based on reliable text-books, and useful to all students.

---

*Manual of Dental Surgery and Pathology.* By ALFRED COLEMAN, L.R.C.P., F.R.C.S. Revised and adapted to the use of American Students and Practitioners. By THOS. STELLWAGEN, M.A., M.D., D.D.S. Philadelphia: Henry C. Lea's Son & Co. E. M. Renouf, Montreal, or any Toronto bookseller.

Mr. Alfred Coleman has long been distinguished in British dental circles, as one of the best teachers in the dental schools of London, and whose labors were rewarded by the esteem of his friends in once placing him in the position of President of the Odontological Society. The American edition issued so handsomely by Messrs. Lea and Sons, has been thoroughly revised and adapted to the use of students and practitioners in the United States and Canada, by Dr. Thos. C. Stellwagen, of Philadelphia, which will be an assurance of its practical value. Mr. Coleman aims to cover the field of operative dentistry, and while he will naturally, like all Old Country writers, find critical objectors in this country, the general object, and the special merits of the work, must give it a high place in our literature.
