The Castilian Hair Invigorator.
 THIS elegant Toilet Preparation is warranted
 to excel all others ever offered to the public,
 for Preserving and Restoring the hair; it prevents
 or cures baldness or grey hair; cures dandruff and
 ringworm; and what is of the highest importance,
 is, that it is unlike most other Toilet preparations,
 by being perfectly harmless, yet successful for
 the purposes recommended. It gives the hair a
 beautifully soft, smooth and glossy appearance;
 in this, it also differs from other preparations, all
 of which more or less harden and dry the hair.
 The Spanish Ladies, so justly famed for beautiful
 and glossy hair, have used
THE CASTILIAN HAIR INVIGORATOR
 for centuries. It causes the hair to retain its
 original colour to the latest period of life; only
 making it assume a darker shade if originally
 very light. *Discoloured hair* loosens and falls out or
 turns grey. The Invigorator removes such dis-
 ease, and restores the skin and hair to a healthy
 condition.
