❖ HIGH GRADE STEEL

were used in making the MASSEY-HARRIS IMPLEMENTS for the season of 1897. A wonderful achievement. For '98 the figures will go higher still. No better or higher class of Steel designed for the peculiar needs of Implements can be purchased anywhere, and none but the best goes into MASSEY-HARRIS goods.

AN AISLE IN ONE OF THE MASSEY-HARRIS STEEL STORAGE ROOMS, SHOWING HUNDREDS OF TONS OF HIGH GRADE STEELS READY FOR USE.
