Exchanges Turkey & Asiatic Stamps.

WE wish to establish cordial business relations in Asia, South Africa, and Australasia, and invite dealers and collectors in these parts, having good stamps to sell or exchange, to send us selections on approval Registered only. No first sendings. European and North & South American dealers send offers & price lists only.

We have no use whatever, for common stamps or large wholesale parcels, as our business along this coast is solely with advanced & medium collectors. We hold an important stock (£1000 worth on hand) of the stamps of Peru, Ecuador, Bolivia, Panama, Chili, &c., which is constantly augmented by large purchases, so that we can offer the best inducements in exchanging on a cash basis, viz.: lowest prices & largest variety.
