A TONIC.

HORSFORD'S ACID PHOSPHATE,

Prepared according to the directions of Prof. E. N. HORSFORD.

This preparation is recommended by Physicians as a most excellent and agreeable tonic and appetizer. It nourishes and invigorates the tired brain and body, imparts renewed energy and vitality, and enlivens the functions.

DR. EPERAIM BATEMAN, Cedarville, N. J., says:

"I have used it for several years, not only in my practice, but in my own individual case, and consider it under all circumstances one of the best nerve tonics that we possess. For mental exhaustion or overwork it gives renewed strength and vigor to the entire system."
