A Minister's Watch! No one needs an accurate time-keeper more than a Minister. A failure to fulfil a preaching appointment has often resulted from an unreliable watch. The extensive use of so-called HUNTING watches of late years has also been an inconvenience to Ministers. What is really wanted is a medium sized open-dial watch of a reliable quality, and at a moderate price. By special arrangements we are enabled to offer a very superior American Watch of this description, in sterling silver case, for TWENTY DOLLARS, and for sixty dollars, in Eighteen Karat Gold Case. In each instance the price to be net cash. A special five years' guarantee to accompany each watch. These watches will only be sold through specially appointed agents, who can find particulars by application. ROBERT WILKES, Wholesale Watch Agent, Toronto and Montreal. Ministers or Committees in whose locality there is no agent appointed, can remit Bank or Post-Office order to The House, and the watch will be sent to any part of the Dominion, carriage paid.
