Cure of Epilepsy or Falling Fits by Hance's Epileptic Pills.

Persons suffering from this distressing malady will find HANCE'S EPILEPTIC PILLS to be the only remedy ever discovered for curing it. The following certificate should be read by all the afflicted; it is in every respect true.

A MOST REMARKABLE CURE.

Tonganoxie, Leavenworth Co., Kan., April 2, 1876.
SETH S. HANCE,—Dear Sir: The Epileptic Pills that I received from you last September have accomplished all that you recommended them to do. My son is hearty, stout, and robust; he is as hearty as any child in Kansas—indeed he is in the manner a new boy, being red and rosy. Before he commenced taking your Pills he was a very pale and delicate looking child, and had Epileptic Fits for about four years, and seeing your pills advertised in the *Christian Instructor*, I sent to you and got two boxes of them, and he has not had a fit since he commenced taking them; he has been exposed to all changes of weather in going to school and on the farm, and he has not had one fit nor a symptom of one since he commenced taking your pills. He learns well at school, and his mind is clear and quick. I feel that you are not sufficiently paid for the service and benefit you have been to us in restoring our child to health. I will cheerfully recommend your Pills to every one I hear of that is afflicted with Epilepsy. Please send me some of your circulars so that I can send them to any that I hear of that is afflicted in that way.

Respectfully, etc., LEWIS THORNBRUGH.

Sent to any part of the country by mail, free of postage, on receipt of a remittance. Price, one box, \$4; two, \$5; twelve, \$27. Address, SEITH S. HANCE, 108 Baltimore Street, Baltimore, Md.

HEAD OFFICE:

164 St. JAMES St., MONTREAL.

This Company is remarkable for the following features of interest to assurers:—

1. It is a Canadian Company incorporated by a special Act of the Dominion Legislature, and invests the whole of its funds in Canada, thereby giving to its Policy Holders the benefit of their own premiums.

2. It has made the required deposit with the Dominion Government, for the absolute security of its Policy Holders.

3. Its investments are of the most select character, and command a high rate of interest, making it profitable to its Policy Holders.

4. Being under an experienced management, by which its funds are husbanded, recklessness, waste and ruin, incident to companies in the hands of novices, are avoided.

With these and other inviting features made known on application to the Head Office or to any of its agencies, there will be no cause for surprise that during the past twelve months of unparalleled depression in trade the Company has done

MORE THAN A MILLION

of new Life business besides Accident.
