A BRIDE'S CONFESSION
"Yes, dear, I am married now, and I am keeping house in the loveliest flat on Sixth St. Well, you, of course, know how I got married. My health, you know, had for some time been very delicate, and Dr. Heavyside told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease. Poor George was almost crazy when mamma told him what the doctor said, and I nearly cried my eyes out, but one day I overheard that hateful Nelly Parker say to her mother, 'I think that George is just the sort of fellow for anything, and while the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step into her shoes and become Mrs. George Heavyside; now just you wait and see.' This spring I will tell George I was from the use of the Wafers, by that time he will be married, and the thought that that devilish busy might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderfully revivifying effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 18 he returned. I was, from the use of the Wafers, by that time a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and as you will see by my card, I am now Mrs. George Heavyside. Do call soon and let me introduce George to you. I am sure you will like him. He is so handsome, and as good as he is handsome. Good by, be sure not to forget."

THE DEY OF ALGIERS!
The SHAH OF PERSIA and the SULTANS of TURKEY and AFRICA are now using Dr. Campbell's Arsenic Compound Wafers. So great is the demand for these invaluable Wafers that their manufacture is continued day and night.
"The Shah found his harem in a state of disorder on his return to Persia. N. Y. World Oct. 12, 1883. Boston—Their supply of CAMPBELL'S WAFERS was exhausted."
"The STRAITS of the desirability of a certain amount of Blimpet, rumour has it that the above distinguished Oriental potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favour being awarded to the wife possessed of the greatest number of pounds avoirdupois."

Coughs, Colds, Croup.
Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs. ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.

"Purity—Strength—Perfection."
CLEVELAND'S SUPERIOR Baking Powder
ABSOLUTELY THE BEST.

All the ingredients used in making this Powder are published on every label. The purity of the ingredients and the scientific accuracy with which they are combined, render Cleveland's superior in strength and efficiency to any other baking powder manufactured.
Food raised with this Powder does not dry up, as when made with baking powder containing ammonia, but keeps moist and sweet, and is palatable and wholesome. Hot biscuit and griddle cakes made with it can be eaten by dyspeptics with impunity.
It does not contain ammonia, alum, lime or other adulterant. These facts, vouched for by Government and State Chemists, Boards of Health, and eminent scientists.

CLEVELAND BAKING POWDER CO.,

ASTHMA CURED FREE
DR. TAYLOR'S BALSAM
DR. TAYLOR'S BALSAM CURED FREE

SALESMEN WANTED AT ONCE.
A new and valuable medicine for the cure of Asthma, Croup, Whooping Cough, and all diseases of the Throat and Lungs. The medicine is sold in bottles of 25 cents and 50 cents. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.

CATARRH.
A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and catarrhal tubes. The eminent scientists—Tyndall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal and as a natural consequence of such treatment not one permanent cure has ever been recorded. - It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment, and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by him seven years ago are cures still, there having been no return of the disease. - So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite—of which they know nothing—by remedies the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in the most aggravated cases. - For catarrhal troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of ten cents in stamps. The address is A. H. Dixon & Son, 303 King Street West, Toronto, Canada.—Scientific American.
Sufferers from catarrhal troubles should carefully read the above.

Household Hints.
FRESH MACKEREL WITH PARSLEY SAUCE.—Split a mackerel; cleanse and skin it; take out the bones and cut it in half; salt and pepper the pieces; fold them together and place them on a buttered pan; cover with a buttered paper and cook for ten or fifteen minutes; dish the filets, and in a pan put a tablespoonful of butter rolled in flour, the juice of a lemon, a teaspoonful of chopped parsley and a little grated nutmeg; let it boil up once; pour over the fish and serve.

WHAT Doctors, Ministers and Professors think of BROWN'S BRONCHIAL TROCHES: "I recommend their use to public speakers."—REV. E. H. CHAPIN. "Of great service in subduing hoarseness."—REV. DANIEL WISE, New York. "They greatly relieve any unpleasantness in the throat."—S. S. CURRY, Teacher of Oratory in Boston University. "An invaluable medicine."—REV. C. S. VEDDER, Charleston, S. C. "A simple and elegant combination for Coughs, etc."—DR. G. F. BIGELOW, Boston.

FRENCH SOUP.—Put together in a soup kettle about six pounds of beef, one pound of veal bones, a piece of calf's liver and a couple of chickens' heads; cover with four quarts of cold water, and let it boil up a few minutes. Skim, and add a couple of turnips, two or three leeks, a head of celery, a burnt onion, a carrot, salt; simmer for several hours, removing the scum carefully as it rises. Serve with bits of fried or toasted bread.

No stronger warranty can be given for the merits of a cough medicine than we offer. We say to all who wish to use ALLEN'S LUNG BALSAM that unless it gives entire satisfaction they may return the bottle to us after they have used it forty-eight hours, and the money will be cheerfully refunded. This same warranty has been offered from the day we offered the BALSAM first for sale, and to this time the first bottle has not been returned, and we have received nothing but praise in its favour, from those who have used it.

BORE a hole through the top of a broom-handle, tie a string to it, hang the broom up when not in use, and it will last twice as long as when allowed to rest upon the floor. After sweeping dip your broom in hot soapuds, shake well and hang up to dry.

MILBURN'S BEEF IRON AND WINE is prepared from fresh beef, soluble iron and pure sherry wine, combined with choice aromatics.

RAISIN PIE.—One lemon, juice and rind, one cupful of raisins, one cupful of water, one cupful of rolled crackers; stone the raisins and boil till soft; grate the lemon rind, mix well together and bake with two crusts.

CARROT CHOPS.—Mash one-half some boiled carrots, with butter, pepper and salt; add a beaten egg, and mix well. Shape with the hands like a chop; dip in egg and bread-crumbs and fry brown in butter; serve with gravy or melted butter.

FOUND at Last! A remedy that not only relieves, but cures the enemy of mankind, consumption, as well as the numerous ailments which revolve around it in the shape of coughs, colds, bronchitis, sore throat, influenza, etc. The remedy we allude to is DR. WISTAR'S BALSAM OF WILD CHERRY.

BAKED PARSNIPS.—Having washed and scraped your parsnips, cut them into pieces, and cook them in a little water as possible. Let them get quite tender, being careful that there is just enough water always on them to keep them quite wet. When done put them into a pan; pour over them the water left from boiling them, and brown in a hot oven, basting often.

For Biliousness Use Horsford's Acid Phosphate
Dr. W. B. GILLES, Winnipeg, Manitoba, says: "I have used it in a typical case of indigestion, with biliousness, and found it to be, without exception, the best thing I ever used in such cases."

LEATHER, paper or wood may be firmly fastened to metal by a cement made by adding a teaspoonful of glycerine to a gill of glue. It can also be used for fastening labels on tin.

BUCKWHEAT CAKES.—Two cups buckwheat flour, one cup wheat flour, two tablespoonfuls New York's Superior Baking Powder and enough milk or water to make a batter. Bake at once.

APPLE CUSTARD PIE.—Take a pint of stewed apples, and with them mix four ounces of butter, half a pound of powdered sugar, a little powdered cinnamon and the yolks of six eggs, well beaten. Line a pie-plate with puff paste; fill the mixture; bake; serve cold with cream.

SKIN DISEASES are most annoying because so noticeable. Dr. Row's Sulphur Soap heals and cleanses the skin.

MANLY PURITY AND BEAUTY
